RUSS-HUN GENERALS TALK PEACE

"I'LL CLOSE OAKLAND," IS THREAT OF KRULL

Federal Authorities Promise Drastic Action If Soldiers Continue to Get Liquor Here

BOOTLEGGERS' CASES STIR U. S. OFFICIALS

Commissioner Declares S. F. and Oakland Welcome Men in Uniform to Vice Districts

Federal action resulting in the closing of every saloon, liquor store and lodging house catering to disreputable characters in the downtown portion of Oakland may follow declarations by United States Commissioner Francis Krull today that Federal statutes were being disregarded by this city and soldiers welcomed to the tenderloin "with open arms."

The statement followed the action of the commissioner in holding for the action of the Federal grand jury a number of Oakland and San Francisco bootleggers in the latter city today. He declared that if the communities affected did not take the proper steps to protect the men, the government would do it for them. Such action is already being taken in Seattle, where a navy man is to assume the functions of chief of police.

RADIUS COVERS LARGE SECTION

The statute to which Commissioner Krull refers empowers the military authorities to take drastic action within a radius of five miles from any army or navy encampment to protect the morals of the men in the service of the United States. A circle drawn with Goat Island, the nearest government point, as a center and a radius of five miles would strike just east of Fourteenth and Franklin streets, Twenty-second and Telegraph avenues, Thirty-second and Grove streets and the Webster street bridge.

All saloons inside that area, including Emeryville, would be under the jurisdiction of the Federal authorities. The same rule applies to lodging houses, hotels, rooming houses and all other places where immoral women are found or liquor is dispensed. Drastic action would result in every place of character being closed, the War Department being fully equipped with power to take such action under Federal statute, in conjunction with the state authorities.

OAKLAND AND S. F. DECLARED UNRULY

"Oakland and San Francisco are getting unruly, and it has got to be stopped," declared Commissioner Krull. "The situation is being controlled in every place of character being closed, the War Department being fully equipped with power to take such action under Federal statute, in conjunction with the state authorities."

But Oakland and San Francisco seem to be "too unruly" with open arms. The Federal statutes have been made for the protection of our own forces, and it is the community will not take the necessary steps to eliminate vice, the Federal authorities will do it for them. We will also bar soldiers and sailors from these dangerous zones during the process of clean-up.

Lieutenant Harrington L. Cochran, in charge of the San Francisco provost guard, sustained Commissioner Krull in regard to possible Federal action in the matter. He said:

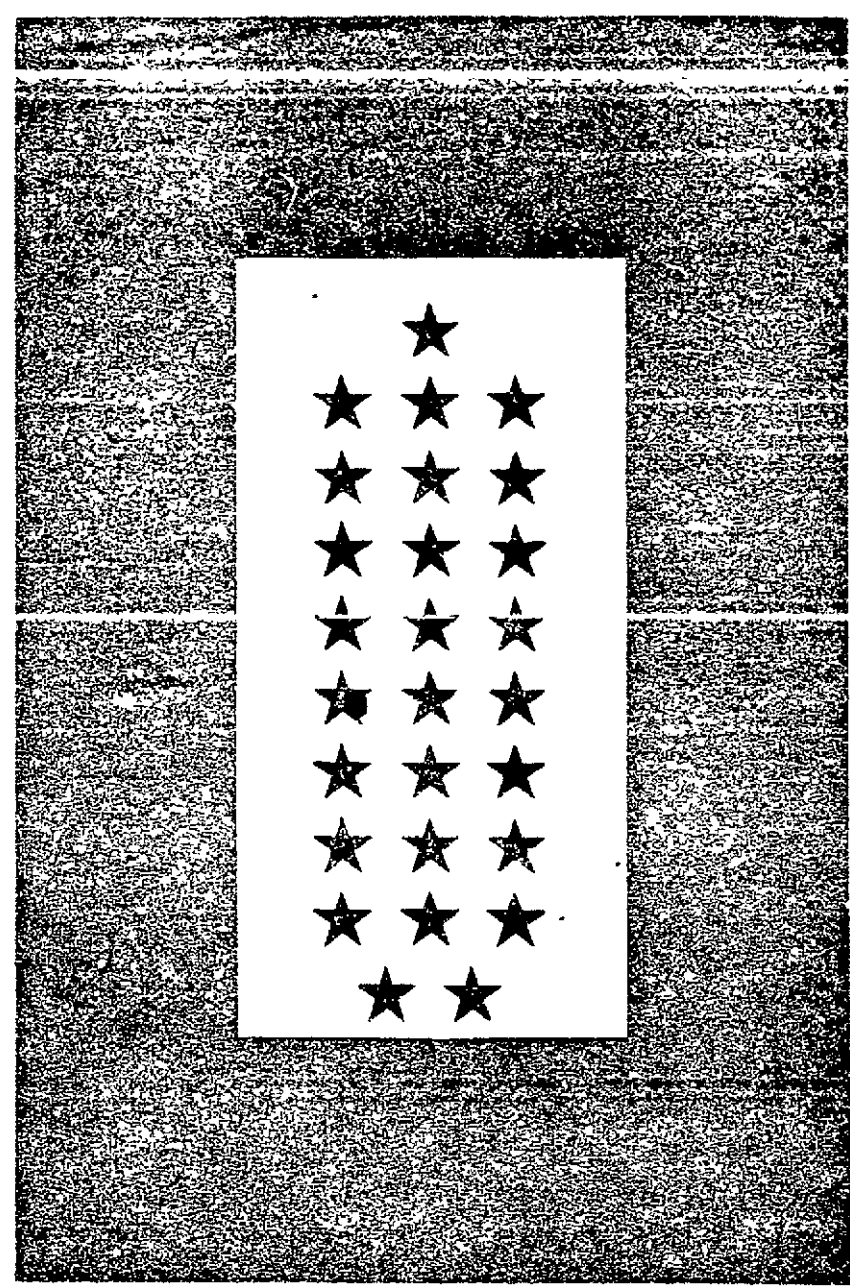

"Conditions are getting worse instead of better, especially in Oakland. It will not be long before a man in uniform will be a rarity on the streets of that city unless they take some drastic action. District Attorney Hynes should take some action. The red-light statement law will remove known immoral houses, and the traffic in liquor can be stopped if the commissioner of public health and safety will take away a few licenses."

Chief of Police Neudorfer, basing his statements upon commendations received from Don Raibbun, head of the department of justice forces in San Francisco, said today that the federal authorities have expressed themselves as entirely satisfied with the manner in which the local department is handling vice conditions as affecting soldiers and sailors in this city.

The second batch of Oakland bootleggers pleads guilty to the sale of liquor to soldiers and were sentenced to six months and \$100 fine by Circuit Judge W. W. Morrow in San Francisco this morning. They are: Walter H. Embler, James Connors, John McDonald, Herbert McLeod, John McKee, John Sullivan, Hugh Summerfield, Merritt Welch and Carl Veltz, night clerk at the Hotel Clayton.

From the bench Judge Morrow severely criticized Lieutenant Charles Goff and the United States attorney's office for a curb not being put upon the traffic and urged that they bring in more moonshiners.

"It is getting too extensive and it must be stopped," said Judge Morrow. "We cannot allow things to go on as they are."

VESSELS COLLIDE

AN ATLANTIC PORT, Nov. 28.—The steamer Ontario of the Merchants' and Miners' Line collided with a United States patrolboat off the Atlantic coast, according to the latest news from the line here today. At the time of the collision the patrolboat was on her way to answer a "S O S" call sent out by the two-masted schooner Kirk, which was reported to be leaking badly. No one was hurt, but the patrolboat was badly damaged and she had to be beached. The Ontario was on her way to the patrolboat was safe and then proceeded slowly to her berth slightly damaged and leaking. No further word was heard of the Kirk.

NEED 500 NURSES

WASHINGTON, Nov. 28.—The medical department of the army began a campaign today to enlist immediately 500 graduate nurses in the army nurse corps. They will be assigned to duty at the base hospitals established at the national army and national guard divisional cantonments. Each division has hospital accommodations for one thousand patients at the base hospital, and will be ready to receive nurses who will be paid \$50 a month and maintenance. Application should be addressed to the superintendent army nurse corps, Mills building, Washington, D. C.

PERSHING ON WIRE

LONDON, Nov. 28.—A special telegraph wire connecting General Pershing's headquarters in France with the American military headquarters in London was installed today. The first message sent by General Pershing to Walter Hines Page, the American ambassador here, said "Greetings and best wishes from the American army headquarters to this, the first message over the military line to London."

DRAFTS MESSAGE

WASHINGTON, Nov. 28.—President Wilson continued work today on his address for the opening of Congress, which will be delivered in person as usual next Tuesday.

As yet the address is in a rough draft and probably will not be printed in finished form until shortly before delivery.

There have been no intimations from official sources so far of what subjects the President will emphasize.

READY TO CONFER

PARIS, Nov. 28.—The work of preparing for the supreme inter-allied council is being rushed to completion.

According to present plans the first preliminary session of the council will be held tomorrow. Among the latest arrivals were Premier Lloyd George of England and the other members of the British mission who held a number of conferences today.

PUTS OFF FLIGHT

LOS ANGELES, Nov. 28.—Unable to get an express car to ship her airplane to San Diego, Katherine Stinson, air flyer, announced today she was forced to postpone her flight before the soldiers at Camp Kearney until Saturday. She will appear for them on that date positively, she said.

SEIZE CHIHUAHUA

EL PASO, Texas, Nov. 28.—Villista forces have captured suburbs of Chihuahua City and are working toward the center of the city, according to announcement made this afternoon by the Cientificos. They give no details and the report is denied by the Carranza officials here. United States government officials received no confirmation.

NEW FUEL ORDER

WASHINGTON, Nov. 28.—Orders for the conservation of more than 100 essential industries to conserve the coal supply will be issued by the fuel administration before the end of the week, it was learned this afternoon.

The industries affected will be asked to reduce their activities one-third immediately and one-sixth within the next month, making a total curtailment of 50 per cent.

SINK 39 U-BOATS

NEW YORK, Nov. 28.—Thirty-nine submarines have been destroyed by allied forces in a fifteen-day period, T. E. Hohler, second counselor of the British embassy, told a crowd at Herald's Bazaar here. He said that number of U-boats were sunk between November 1 and November 18.

KILLED IN ACTION

OTTAWA, Ont., Nov. 28.—The casualty lists of the Dominion, announced today, contain this:

Infantry, killed in action—G. C. Simpson, Los Angeles.

DONAHUE TO RESIGN HIS JUDGESHIP

Alameda County Jurist to Take Up Private Practice as Soon as Cases Are Disposed of

Was Elected Superior Judge in 1913 After Filling Office of District Attorney Since 1908

Judge William H. Donahue today announced his intention of resigning as judge in the Superior Court of Alameda county. He will continue on the bench only long enough to clear up the cases now on his calendar. The term expires in 1919.

Judge Donahue is resigning to go into private law practice, and will open offices here as soon as he has completed the unfinished matters in his department. In announcing his intention to leave the bench, the Judge paid a high tribute to his associates and to District Attorney W. H. L. Hynes. He said:

"I have been very fortunate in my duty to the people and to my associates on the bench to remain until relief was granted, which was done by the last legislature in creating additional judgeships. It is now all trial work is up to date."

"As soon as I dispose of all pending motions and unfinished business I will be free to go back to private practice. The people of Alameda county have my deepest feeling of gratitude for the splendid support given me first as district attorney and later as superior judge which has made every minute of my public service most enjoyable."

"There has been such a loyal spirit of comradeship and fine team-work among the superior judges of this county that I find it hard, on this account, to leave the bench and I could not bring myself to do so were it not for the fact that I so much prefer the activity of private practice."

WANTED TO RESIGN OFFICE TWO YEARS AGO

"If I permitted my personal desire to prevail I would have resigned the office of superior judge two years ago to engage in the private practice of the law in the City of Oakland, but by reason of the great increase in court work and the overcrowded condition of the calendars I believed it my duty to the people and to my associates on the bench to remain until relief was granted, which was done by the last legislature in creating additional judgeships. It is now all trial work is up to date."

"As soon as I dispose of all pending motions and unfinished business I will be free to go back to private practice. The people of Alameda county have my deepest feeling of gratitude for the splendid support given me first as district attorney and later as superior judge which has made every minute of my public service most enjoyable."

"There has been such a loyal spirit of comradeship and fine team-work among the superior judges of this county that I find it hard, on this account, to leave the bench and I could not bring myself to do so were it not for the fact that I so much prefer the activity of private practice."

INTENDS TO OPEN LAW OFFICES IN OAKLAND

"As soon as all unfinished matters in my department are completed I intend to open law offices in the city of Oakland."

Donahue has been Superior Court judge since January 1913, when he was first elected to that office. Prior to that time he had been District Attorney of Alameda county, having been appointed by the board of supervisors to that office September 28, 1908. His work was so satisfactory that at the election two years later he had no opponent for the office, and was nominated by both political parties.

District Attorney Donahue made an enviable record, handling many important criminal and civil matters. Notable among these were the Delaney case and the Dalton bribery case. Judge Donahue before going on the bench was for a number of years vice president of the California Bar Association and was elected in 1913 and 1914 as California representative to the American Bar Association.

HUN LINES ARE BROKEN, SAYS ROME

Within Last 24 Hours Italian Troops Have Smashed First and Second Enemy Trenches

Both Sides Rush Up Reinforcements: Prepare for Greater Struggle; All Roads Crowded

BY UNITED PRESS
Rome, Nov. 28.—Within the last 24 hours Italian troops, assuming the offensive, have smashed German first and second lines, inflicting tremendous losses on the invader. The announcement was made here today.

Details of the victory were withheld for the present. The news was cited as evidence of the growing strength of the Italian army, its complete rehabilitation and as an illustration that the enemy's most powerful efforts to break the Piave mountain line have been utterly fruitless.

With French and British aid now rapidly approaching the front, Rome looks for a decisive strategic step of vast importance.

Mrs. William Vanderbilt, Mrs. Haverly, Miss Ruth Morgan and a number of other prominent American women reached Rome today from France to organize and aid in the relief work.

MASSIVE ENEMY TROOPS TARGET FOR HEAVY FIRE

"On the Asiago plateau, in the Primolano Basin, at the north of col De la Beretta, and on the middle Piave," says today's Italian official statement, "our batteries in co-operation with bombardment flights, have carried out concentrations of fire on enemy troops, massed and in movement."

So appalling have been the casualties suffered by the enemy in the fruitless attacks that it was reported today he had withdrawn seven divisions. Prisoners declare that battalions of several hundred men have been reduced to thirty or forty by the vigor of the Italian defense.

There was no change in the deadlock along the entire front today.

PREPARE FOR STILL GREATER OFFENSIVE

WASHINGTON, Nov. 28.—Great activity among the Austro-German divisions all along the Italian front, and reported despatches from Rome received here today, are declared to forecast a still greater offensive in the northern sector, with elaborate preparations for a mighty effort to break through.

The enemy is making large scale operations for a still greater offensive in the northern region. Yesterday in the vicinity of Miaga Sappell, large enemy units with machine guns attempted an encircling movement but were counter attacked by a battalion Alpin and forced to retire, leaving in our hands complete sections of machine guns which were immediately turned on the fleeing enemy. Big guns are roaring all along the front, indicating the imminent resort of a general offensive on the part of the Austro-Germans in a mighty effort to break through our lines.

"The Observator Romano, the organ of the Vatican, flatly denies the 'hope' of a general offensive, or prepared a new peace appeal."

DENIES RUMOR BY INTERNATIONAL NEWS SERVICE

AMSTERDAM, Nov. 28.—An official statement from Berlin denies a rumor that General von Ludendorff, the German army commander, had been seen in the city at the western front.

A London despatch on November 23 said that General von Ludendorff had started for the eastern front in connection with the Russian offer of a truce.

CHECKS ARE BAD

LOS ANGELES, Nov. 28.—Alleged to have passed fictitious checks for \$7000 in purchasing three automobiles, Dr. P. B. Conger, Michigan graduate, globe trotter and former convict, is in the toils today on a forged warrant. Dr. Conger is likewise alleged to have deceived the Canadian army. He enjoys a private income of a few thousand a year, but "simply can't resist passing bogus paper," he declared to the police.

CITY IN DARKNESS

CHICAGO, Nov. 28.—Darkness as deep as that of midnight spread over Chicago for nearly three hours today, due to a smoky fog. It was impossible to judge the quality of grain samples, particularly oats, on the third immediately and one-sixth within the next month, making a total curtailment of 50 per cent.

POPE IS DELAYING

WASHINGTON, Nov. 28.—Observator Romano, official organ of the Vatican, flatly denies that the pope has directed or is preparing a new peace appeal, according to an official cablegram from Rome today.

LATINS SMASH THROUGH

Pershing, Sibert, From Trenches Send Messages of Thanksgiving

AMERICAN FIELD HEADQUARTERS IN FRANCE, Nov. 28.—Not a single American soldier has been lost to date in the transportation of the American army to France.

In a statement written for the United Press as a Thanksgiving message to the American people today, Major General William L. Sibert, directly in command of the American forces in France, held this to be one of the main causes why America should return thanks tomorrow.

General Pershing also sent a message "back home" for the American people. The two messages follow:

By GENERAL JOHN J. PERSHING

FIRST. We may be thankful for the spirit which a great cause has aroused in our nation.

SECOND. That our army in France increases and that its training continues according to plans.

THIRD. For the energy and unity of purpose from home which sustain us here and which will send us the men and the material enabling us to deliver blows whose result will give us even greater cause for thanks when another Thanksgiving Day arrives.

By MAJ. GEN. W. L. SIBERT

This noble pioneer contingent of mine has many things to be truly thankful for.

We have progressed far along our program of training. We have become so hardened physically that despite exposure to the rough weather our men have had a minimum of illness.

But most of all, we are thankful for this: In the great task of transporting our army to France we have not lost a single man—not one casualty. It is very encouraging. Because we know that when the full force of the United States can be transported over here and thrown into the fight, then we allies will win this war—hands down.

PREVENTS HOLD-UP

CHILLICOTHE, O., Nov. 28.—Robbery of \$250,000, the payroll of the Camp Sherman plumbers, yesterday afternoon, was halted when one member of the gang got "cold feet" and tipped the police off beforehand, it became known here today. The automobile being the paymaster and the quarter million left the bank yesterday for camp, but was not molested. Military police had been stationed near the bank and along the route the car followed.

HOLDS UP BANK

CHICAGO, Nov. 28.—Five motor bands held up the Windsor Park State Bank in South Chicago this afternoon and escaped with between \$2800 and \$3000 in cash. Policemen in automobiles are pursuing them toward the Indiana State line.

WESTMAN RESIGNS

STOCKHOLM, Nov. 28.—Dr. Westman, under secretary for foreign affairs, resigned today. Westman is alleged to have handled the Lurberg and Cronholm messages for Germany.

ARMISTICE PARLEY TO TAKE PLACE ON MONDAY

Bolshevik Commander's Envoys Met Across Trenches by Leaders of Kaiser's Forces

ALLIES MAY CONSIDER RUSSIA AS ENEMY

Various Divisions of Slav Fighting Force Rally to Radicals, Though Few Go to Kaledines

BY ASSOCIATED PRESS
LEADS WIRE TO TRIBUNE.
PETROGRAD, Nov. 28.—It is announced officially at the Smolny Institute, headquarters of the Bolsheviks, that representatives of Ensign Krylenko, the Polishviki commander-in-chief, have crossed to the German side and entered into negotiations with the German military authorities.

The representatives sent by Krylenko have been received in the German lines and informed by the German commander that the Germans have officially consented to immediate negotiations for an armistice on all the fronts of the belligerent countries. The Germans have set December 2 for a conference for negotiations for an armistice.

It is estimated that from 30 to 35 per cent of the voters entitled to vote for delegates to the constituent assembly cast their ballots yesterday. Many women voted. The balloting was conducted in an orderly manner. The Bolsheviks campaigned in placarded armed cars.

The removal of General Bludov, commander on the western front, is reported by the revolutionary committee at Minsk. He refused to negotiate an armistice with the Germans and has been replaced by a Maximilianist.

FIFTH ARMY JOINS SECOND AGAINST WAR

The Russian Fifth army announced today that it purposes choosing parliamentarians to be sent to Germany. This is the second instance of an anti-war movement.

63 MISSING FROM CREW OF ACTAEON

WASHINGTON, Nov. 28.—Sixty-three men in three lifeboats are still missing from the torpedoed American steamer Actaeon, according to Navy Department reports.

Press despatches previously reported twenty-one survivors landed in Spain, but did not state how many were in the three missing boats. The crew of the Actaeon, formerly the German steamship Adamastor, seized at the opening of the war, was unofficially reported to consist of 58 men, including 21 Americans.

There was naval gun crew of 13 men aboard and possibly others. An official statement follows: "The Navy Department has received a report that the American steamer Actaeon has been torpedoed in European waters. One boat with twenty survivors landed at Cape Finisterre yesterday. Three boats containing 63 men are still missing. Further details have been received."

Fifty-eight men, including 26 American citizens and five naturalized Americans, comprised the crew. The American citizens included G. A. Jensen, Ferndale, Calif., and J. A. Jensen, Hood, Cal., wireless operators; Louis R. Carson, cadet officer; Lee Angeles and Thomas R. Carson, seamen, no address, born in California.

BALTIMORE, Nov. 28.—Six men, all members of the crews of the three Dutch steamships lying at this port, were drowned and nine were rescued early today when a launch carrying them to their ships capsized in the harbor. All were Hollanders.

Surest Cough Remedy Made from Globe Pine

Easily Made at Home. Very Economical. Especially Good for Children.

Procure two ounces of glycerine and a half ounce of Globe Pine Compound (Concentrated Pine) from your drug store. Mix these with six heaping tablespoonsful of granulated sugar in half a glass of water. Take a teaspoonful as often as necessary to give relief. Be sure to get Globe Pine Compound (Concentrated Pine). No other will answer the purpose in this formula which comes from eminent medical sources and makes the most effective pleasant and prompt-acting remedy for coughs and colds affecting the bronchial tubes and throat. As can be seen it contains no harmful drugs and may be used freely.

Tor's Rheumatism Treatment

Gives Prompt, Lasting Results. Mix together one ounce of Tor's Compound one ounce of Syrup of Sarsaparilla; half pint of Simple Elixir. Take a tablespoonful four times daily. Adv.

She Used to Be Gray

The well-known society leader's hair was gray, just like yours. But Mrs. B. heard of Q-ban Hair Color Restorer—how thousands had proved that Q-ban would bring a natural soft, even, dark shade to gray, faded hair and make it soft, fluffy and beautiful. Q-ban is all ready to use—a liquid, guaranteed harmless, 75c a large bottle—money back if not satisfied. Sold by The Owl Drug Stores or Normal Pharmacy, 1214 Broadway, Washington Sts., and all good drug stores. Try Q-ban Hair Tonic; Liquid Shampoo; Soap.

Congress Faces Big War Problems Must Provide More Revenues

By Robert B. Smith

International News Service Staff Correspondent.

WASHINGTON, Nov. 28.—Confronted by a war budget staggering the imagination, an accumulation of problems directly and indirectly related to the war surpassing in volume and importance any legislative program in American parliamentary annals, the Sixty-fifth Congress will begin its regular session next Monday.

Politics, too, will come out of its seclusion of the past year and threaten to take a conspicuous place in the proceedings of the session. Much of the non-partisan team work which characterized the last session will disappear and the conduct of business will be shaped with an eye to the political considerations which will be launched.

The Republicans have seen many things to criticize, but they have kept silent in the concerted preparation for the great conflict. Now, having joined in giving the Administration everything it wanted and professing their willingness to continue giving it everything it needs to win the war, they nevertheless will feel free to criticize methods and results. Greater efficiency in the conduct of the war will be their keynote, their leaders say. Whether they will be able to make this a real campaign issue remains to be determined by the developments of the next few months.

Foremost in the list of legislative needs are the gigantic war bills, involving bond issues, increased war taxes and appropriations probably exceeding the unprecedented figures of the last session.

ANOTHER BOND ISSUE. Total appropriations, including loans to Allies and contract authorizations for the present fiscal year have already reached \$21,390,000,000. Senator Martin, the majority leader of the Senate and the chairman of the Appropriations Committee, has predicted that the expenditures for the next year would bring the total up to \$50,000,000,000. This would mean additional appropriations of nearly \$28,000,000,000.

One of the first bills likely to come before Congress will be a measure authorizing another big bond issue. The bond issues and estimated revenues of the past session fell short some \$3,000,000,000. The deficit must be met immediately.

In order to better balance the ratio of bonds and taxes, the Treasury Department, it is reported, will ask the enactment of a supplementary war revenue bill. The amount of the tax bill rests with Congress for final determination, but it is said to be the wish of Administration leaders that the measure be constructed so as to provide approximately \$2,500,000,000, substantially the amount of the war revenue law passed in October.

The passage of such a bill means that heavier levies, probably a billion dollars additional, will be imposed upon the people. The Government will reach out into heretofore untouched sources of taxation to obtain additional revenue.

LA-FOLLETTE PROCEEDINGS. Popular interest in the Senate will be centered during the early days of the session on the outcome of the proceedings against Senator Robert M. La Follette of Wisconsin.

Several important measures relating to the draft are ready for presentation. Among these are the Chamberlain bill, declaring aliens, with certain exceptions, liable to the draft. The measure has been passed by the Senate, but was held up in the House at the Administration's request to avoid international complications. Efforts will be made to have it passed at once in order to make more than a million aliens available for the army.

RUSS-HUN PEACE PARLEY MONDAY

(Continued From Page 1)

announcement of definite support of the Bolshevik program by the military, the first being the Second army, whose action was previously reported.

WASHINGTON, Nov. 28.—The American government and the Entente allies will determine whether the Bolsheviks are to be classed as enemies and active allies of Germany as soon as official advices can be gathered of conferences between Bolshevik leaders and German officers.

One of the first acts of the allied governments when they learn officially that the Bolsheviks are actively working with the Germans undoubtedly will be to withdraw their embassies in Petrograd. This, of course, will include American Ambassador G. B. Hays.

German propaganda in Russia is increasing in intensity, according to information received at the embassy here from the Russian ambassadors at Paris and Rome. Every effort they reported, is being made to misrepresent the attitude of the Entente powers and that of the United States and misleading announcements of policy are being spread in Russia and in other countries.

ALLIES ARE TO SEND REMONSTRANCE

LONDON, Nov. 28.—The allies are considering the advisability of sending a remonstrance to the Russian government, pointing out the serious consequences of a separate peace with Germany. Lord Cecil, minister of blockade, announced in the House of Commons today.

Congratulations from the Bolsheviks to the Russian government, which they considered to be a "peace" message, were received at the Russian embassy in London today. The Russian ambassador, Count Shchegolev, is reported to have picked up the message.

The military and virtually all of the officers of the anti-Bolshevik district, according to the Petrograd correspondent of the Morning Post, have gone to join General Kaledin, leader of the Cossacks, who is reported in control of most of south-eastern Russia.

Representatives of the German general staff have gone to Petrograd to discuss the release of German and Austro-Hungarian prisoners of war, according to an unconfirmed report from Hapsburg today.

Political conditions in Russia continue to grow more chaotic. Latest advices say that the Social Revolutionaries are trying to win over the chief army officers and get their support for the formation of a new coalition government. Many Russians are dying of starvation.

The number of Russian war prisoners in Russia has been variously estimated at from 600,000 to upwards of 1,000,000.

War Paramount as Congress Convenes

WASHINGTON, Nov. 28.—Here are some of the important matters to be settled by Congress at the session beginning on Monday:

Expulsion proceedings against Senator La Follette of Wisconsin.

New war taxes.

Bond issues probably exceeding \$25,000,000,000.

Peace debates.

New draft legislation.

Webb Export bill.

The Administration Civil Rights bill.

Nation-wide prohibition.

Women's suffrage.

M. La Follette of Wisconsin, against whom charges of disloyalty, filed by Governor Baughman and members of the Public Safety Commission of Minnesota, are pending. The action of the Senate in Senator La Follette's case will establish a precedent for Congress in dealing with the activities of the pacifists throughout the session.

The victory of the suffragists in New York will bring the so-called Susan B. Anthony resolution to submit the question of national women's suffrage to the States into the foreground. Promise was made at the last session to give the measure a favorable position on the calendar and to permit a vote early in the session. Although the outcome of the New York election will have a powerful influence it is still a question whether it will be sufficient to give the suffrage advocates the necessary two-thirds vote unless the Administration should favor the resolution.

The House will be called upon to vote on the Sheppard resolution submitting a constitutional amendment for national prohibition to the States. The Senate has already passed the resolution with a proviso that it shall become null and void unless ratified within six years.

Indications are that the House will adopt the resolution, glad of the opportunity of "passing the buck" to the States.

"SOLDIERS' MORATORIUM." The Administration will put forward a new civil rights bill, sometimes called the soldiers' and sailors' "moratorium" bill, designed to protect men in both arms of the service against the annoyance of legal complications while at war, and to prevent unscrupulous persons taking advantage of their absence in the courts.

The measure sent to Congress at the last session was believed unconstitutional and it will be presented in a somewhat changed form to meet the objections raised against it.

Several important measures relating to the draft are ready for presentation. Among these are the Chamberlain bill, declaring aliens, with certain exceptions, liable to the draft. The measure has been passed by the Senate, but was held up in the House at the Administration's request to avoid international complications. Efforts will be made to have it passed at once in order to make more than a million aliens available for the army.

Several important measures relating to the draft are ready for presentation. Among these are the Chamberlain bill, declaring aliens, with certain exceptions, liable to the draft. The measure has been passed by the Senate, but was held up in the House at the Administration's request to avoid international complications. Efforts will be made to have it passed at once in order to make more than a million aliens available for the army.

LA-FOLLETTE PROCEEDINGS. Popular interest in the Senate will be centered during the early days of the session on the outcome of the proceedings against Senator Robert M. La Follette of Wisconsin.

INFIRMARY GIRL WANTS DRESS, DOLL

Among those who are looking forward to the Christmas celebration at the County Infirmary is Carrie Viers, 12 years old, and her brother, Peter, 10 years old. Both of these children, together with an older brother who is a sufferer from tuberculosis, know no home but the infirmary. When asked by one of the committee what she wanted for Christmas, Carrie said she would like a new dress and a big doll which would "go to sleep."

Peter immediately volunteered the information that he wanted a football. The only two toys of approximately 700 patients who must depend on the kindness of others for whatever Christmas they are to have. So that Carrie may have her doll, Peter his football, and others equally unfortunate ones may have a little something to cheer them in their loneliness, the committee has secured the help of many public spirited citizens in providing for the infirmary Christmas celebration.

Mrs. Jane Crowley, matron at the infirmary, declares that the aged women under her care, of which there are 88 at the present time, are looking forward to Christmas just as earnestly and anxiously as the children. She states that material for waists, houndie caps, and rugs for use on the beds on cold nights, are the things that her wards want the most for Christmas.

An urgent appeal has been issued by the committee in charge to anyone who will contribute to communicate with Arthur H. Bred's office in the Oakland Bank of Savings Building for donations there, irrespective of the amount.

The Oakland Lodge of Moose, which has done so much for the county infirmary inmates at Christmas time in the past, has agreed to assist the committee in charge this year.

MARTINEZ, Nov. 28.—Taking of testimony will be resumed by Judge R. H. Lattimer on Friday morning in the trial of the suit filed by a group of bondholders for the appointment of a receiver for the Oakland, Antioch and Eastern Railway. Witnesses thus far examined are Howard D. Smith, the principal plaintiff; General Manager H. A. Mitchell of the railroad company, and J. W. Malloy, one of the original directors of the Oakland and Antioch.

Smith, joined by several other bondholders, has asked that the deed of trust given to the Anglo-California Trust Company be foreclosed and a receiver appointed on the grounds that the railroad has failed to pay interest on its bonds, the amount of \$2,000,000. On the witness stand, Smith said that he personally owned \$20,000 of the bonds and that the total amount represented by the plaintiffs was \$400,000. It is the evident purpose of the attorney for the defense to show that bondholders representing more than 75 per cent of the bonds have long since agreed to abide by the terms of the deed of trust.

His case will probably be submitted on Friday after arguments by counsel. Jesse H. Steinhart represents the railroad company. Sidney M. Van Wyck the majority bondholders, and J. C. McKinstry the Anglo-California Trust Company. The plaintiffs have W. A. Nunnist as their counsel.

O. A. & E. RECEIVER SUIT UP AGAIN

MARTINEZ, Nov. 28.—Taking of testimony will be resumed by Judge R. H. Lattimer on Friday morning in the trial of the suit filed by a group of bondholders for the appointment of a receiver for the Oakland, Antioch and Eastern Railway. FIGHTING IS DESPERATE AT BOURLON

BERLIN, via London, Nov. 28.—"Temporary loss" of the zone from Bourlon to Fontaine Notre Dame was announced in today's official statement describing the fight around Cambrai.

WITH THE BRITISH ARMIES IN THE FIELD, Nov. 28.—The Germans unhooked a countryside full of gas in their attempts to shake the British off a back of the Hindenburg line today.

Shells containing the powerful asphyxiating vapor were distributed by German guns over a wide area immediately back of the British positions. No damage was done and the shells gave the enemy no advantage.

FICKERT IS NOT TO LET WEINBERG GO

SAN FRANCISCO, Nov. 28.—Israel Weinberg, freed in twenty-three minutes by a jury in Superior Judge Emmett Sewell's court yesterday of a charge of murdering George E. Painter, one of the victims of the Preparedness Day bomb, will have to face other charges of a similar nature placed against him, according to an announcement by District Attorney Charles M. Fickert today.

Weinberg has been in jail seventeen months. Application for admission to bail, made by his counsel, Maxwell McNutt after the rendering of the verdict, will be argued before Judge Sewell on Saturday. He is already a defendant in another one of the bomb cases which opens in Judge Cabanis' court on Monday.

Weinberg's acquittal was followed by scenes of the wildest excitement in the courtroom. As soon as the judge had left the bench women rushed to the prisoner, hugging and kissing him and showering him with congratulations. Mrs. Weinberg became hysterical. Weinberg alone, seemed to retain his self-possession.

The crime for which Weinberg was tried occurred on July 22, 1916, when a bomb killed ten persons at Stuart and Market streets during the Preparedness Day parade. Thomas J. Mooney, Mrs. Rebecca Vorey, William T. Patterson, Weinberg and Edward D. Nolan were arrested within a week. Alexander Berkman was indicted later.

Mooney was convicted and sentenced to be hanged. Billings was convicted and given life imprisonment. Mrs. Mooney and Weinberg have been acquitted. Nolan and Berkman are yet to be tried. Berkman having extradition proceedings pending.

"DRY" VOTE LOSES
SAN DIEGO, Cal., Nov. 28.—After a campaign waged vigorously by both sides, this city voted down by a small majority of 248 votes a so-called "bone dry" prohibition ordinance proposed in an initiative petition. Approximately 21,000 votes were cast.

Ho! Ho! Bring On the Eats
You Can Have the Appetite and Digestion of a Sailor If You Follow Meals With Stuart's Dyspepsia Tablets.

SEND FOR FREE TRIAL PACKAGE

When you feel dull, stupid, irritable and dizzy after eating, take a Stuart's Dyspepsia Tablet. It gives your stomach the digestive force it lacks. The appetite may be good and to satisfy it will fill up on the things we like and then come distress.

Once you learn the remarkable action of Stuart's Dyspepsia Tablets in digesting food, preventing and overcoming gasiness, heartburn, sour stomachs, hump in your throat, gurgling and the other distresses of indigestion you will eat what you want at any time without the slightest distress. Get a 50-cent box at any drug store and be safe against the trials and perils of dyspepsia. Send for a free trial package on a test. The coupon below will bring it.

Free Trial Coupon
F. A. Stuart Co., 260 Stuart Building, Marshall, Mich., send me at once a free trial package of Stuart's Dyspepsia Tablets.

Dr. King's Discovery
NEW
for Coughs & Colds

makes it unnecessary for you to be annoyed by that dragging cold in the head. When your eyes begin to water, when you become feverish and when you begin to sneeze, take Dr. King's New Discovery—the popular remedy for 50 years—that cures cough, break up that hacking cough—give Dr. King's New Discovery a chance to put you in good shape. Buy it at your druggist.

An Active Liver Means Health
If you want good health, a clear complexion and freedom from dizziness, Constipation, Biliousness, Headaches and Indigestion, take Dr. King's New Life Pills. They drive out fermenting and undigested foods and give quick relief. 25c, all druggists.

Various Types Called for War Honeymoon Ends One Day Early

"When will I be called?" With his bride of a day he had come to exemption board No. 7 and appeared before the members of the board with a question they could not answer. They told him the date was uncertain. "I am married," he started to explain. "You didn't put in any exemption claim," interposed one of the members. "No, and I don't intend to," he answered. "I am ready to go to the front. But you see, I just got married, and I want to go on a honeymoon. But I didn't want to be called while I was away and have you think I was a slacker. Could you give me two weeks?"

He explained that they did not know when his call would come. He had been examined, his card sent in, but the green card had not come back yet. "If I leave my address, and money so I can write to you, will you call me?" he asked. "I will call you," the board member answered. "I will call you," the board member answered. "I will call you," the board member answered.

Then there is the story of one Irvy Burnell, of the land of Ypsidenn Penwhyr and Llewellyn of the British Dyes Burnell was called and put in a claim for exemption on the ground of having a mother to support. The claim was disallowed, and the Weisman went through his examination, and got first his green card and then his pink card, calling him into the service. Then it was discovered, quite by accident, that he was an alien.

"I thought it was funny they took me," he said. "So I don't have to go." "No." "Well, I guess I'll go any way." He was advised to think it over, to talk it over with his mother, and that then, if he still wished to go, he could make his declaration of intention and the draft call that had been issued to him would be effective. He admitted that the disallowance of his exemption claim had been just, that his mother could get along without him.

In the morning, mother and son came to the draft board. Burnell said, using the plural "we," instead of "I." "We have decided that it is best to go." "Yes," interposed the mother. "We have lived here, and America has been good to us. We believe in what the United States is fighting for. My son has declared his intention to be a citizen today."

Each Member of Family Can Help Food Administration Tells How

The United States Food Administration, in reply to thousands of inquiries, today briefly summed up what the individual can do to aid the government in the war for democracy, with a few figures showing what concerted saving in the nation's home will aggregate in a year, as follows:

THE FAMILY.
"Eat less beef, pork, veal, sugar, wheat flour and wheat products use less butter and cream. Waste nothing. Save food morning, noon and night, yet eat enough to maintain full physical and mental strength. Ask your neighbors to do likewise. Observe the meatless, wheatless and ice-creamless days in thought, word and deed."

THE FATHER.
"Plant more acreage if you can. Plant crops to the best advantage. See that the family wastes nothing. Exert every effort to stimulate and increase the production of your farm and the farms in your community. Remember that the nation's food surplus will win the war and that every ounce saved is a blow to German imperialism."

THE MOTHER.
"Establish practical economy in your kitchen. Observe the wheatless, meatless and ice-creamless days. Use more white plus foods off the table. Use more white plus substitutes, fewer eggs, less milk and cream, kill a chicken instead of buying beef; substitute brown for white sugar and use less of both; use less lard and fats, count that day lost that sees nothing saved in those staples needed by the boys in the trenches. Study and use simple recipes in cooking. Write to the food administration experts for these recipes."

THE BOY.
"Eat brown sugar instead of white on that after-school sandwich. Plant your own garden. Help father get the last ounce of his farm. Don't ask mother for cookies, jams and jellies—all of which take sugar—too often. Don't spill the milk and be kind to the cow. The country needs her. In short, be a good boy and show Uncle Sam you are with him."

THE GIRL.
"Help your mother to set a plain, wholesome table, without trills. Study war-time food conservation recipes and learn the war-time art of making half a loaf do the work of a full loaf. Impress upon the family that they just must conserve foods—the nation needs it and our allies must have it. The government's food experts say that if every person in America will save one ounce of sugar a day, the grand total will be one million tons a year. If each ounce of meat a day, in one year we save 455,000,000 pounds. One slice of bread saved daily, in each home saves 385,000,000 loaves annually."

BIRTHS-DEATHS-MARRIAGE LICENSES
BIRTHS
ANDERSON—November 27, to the wife of Carl Anderson, a daughter.
MCGILL—November 18, to the wife of Earl McGilgarr, a son.
BROWN—November 15, to the wife of Ernest Brown, a son.

DEATHS
EDSON—In this city, November 28, 1917, Jud son Henry, beloved husband of Mary A. Edson, father of Alice Freese, 27, both of San Francisco, and Ruth Johnson of Oakland, Mrs. Mabel Malone of Los Angeles, and Mrs. Helen Wilson of Sacramento, and grandfather of Lillian Anderson and Dorothy Freeman, a native of Pennsylvania, aged 65 years, 10 months and 23 days. (Lined, 2nd, papers please copy.) Funeral and interment private.

Funerals
EDSON—In this city, November 27, 1917, John A., dearly beloved son of Robert A. and Mrs. O. P. Edson, a native of Oakland, Cal., aged 1 year, 7 months and 19 days. Funeral and interment private. Services will be held at the residence of the grand parents, 2002 East 23rd street Friday morning, November 30, at 10:30 a. m. Funeral private.

WICKERSHAM—In San Lorenzo, November 27,

PLAN STUNTS TO INCREASE MEAT FUNDS

While the tag day and general campaign committees, representing practically every fraternal, civic and commercial organization in Oakland, are completing plans for the "Liberty Boys' Drive" of December 8, when a fund will be raised for remembering the Oakland men in the service of the nation, women's committees are being named to prepare Christmas packages and gifts of many special "stunts" to mark the day are under way.

The general committee of the drive is actively engaged in its work at headquarters on the tenth floor of the Syndicate building. A. Vander Naillen Jr., general chairman, is keeping regular office hours, and the big campaign committee, composed of prominent citizens, is outlining an independent drive.

In the meantime the preliminary fund, started by public subscriptions when the Oakland Moose initiated the plan, is growing steadily. Contributions in any amount may be sent to W. J. Hamilton, secretary of the Moose, or to The TRIBUNE.

INTEREST FOR FUNDS.
The first separate benefit took place yesterday, when the daughters of Pochohontas entertained at an afternoon whist party, the proceeds of which are to be turned over to the general fund. The Royal Neighbors will entertain in Knights of Pythias hall Thursday night with a similar affair. The La Paloma Club, Oakland's select dancing organization, which conducted a successful benefit dance for The TRIBUNE's drive for an athletic fund for Camp Lewis, is planning a similar affair.

"This idea, started by the Moose and now endorsed by every organization in the city, is taking like wildfire," said Chairman Van der Naillen. "We are going to make it the biggest tag day benefit ever pulled off in the city. We have the backing and the purpose is right."

ASKED TO COOPERATE.
Peckelbaugh has been invited to cooperate that they may at the same time aid their own military organizations. The money raised will be mainly for the men who have volunteered. The two Oakland artillery organizations, B and D batteries, and A and F, infantry companies, needing mess funds and other comforts. Christmas boxes will be sent to all Oakland boys enlisted in other branches of the service. Parents whose sons have volunteered are asked by the committee to furnish their names.

The executive committee in charge of the plans consists of W. J. Hamilton, Moose Lodge, A. Van der Naillen Jr., Chamber of Commerce; Louis Aber, Rotary Club; C. A. Beardsley, Elks; Charles A. Beardsley, Aahmes Temple, Shriners.

The women's executive committee includes Mrs. V. Decker, Belmont Parlor, Native Daughters; Mrs. Alva G. Daul, Women's Relief Corps; G. A. R. Mrs. Lizzie Hulbert, Royal Neighbors of America; Mrs. Mae S. Wiley, Daughters of Pochohontas; Mrs. F. Sankey, Robekahs.

Judge George Samuels is chairman of the general committee and Frank B. Cook is secretary.

SURVIVES GALES
Battling for sixty hours without sleep through a succession of gales and blinding snowstorms, the crew of the overdue schooner, Minnie B. brought the vessel into Hoonah Bay, Alaska, safely, according to wireless messages received here today. The terrific storms through which the schooner passed proved fatal to the steamer's Manhattan and Alki, the loss of which was reported several days ago.

At Hoonah Bay, the Minnie B. picked up six of the missing members of the crew of the Manhattan. After a rest of eighteen hours for the crew, the schooner set sail again for the south. She carries a cargo of salmon from Kodiak.

Eltinge Found in Fitting Role in T. & D. Comedy

Love, thrills and adventure a plenty are predominant in Julian Eltinge's latest and greatest screen success "The Clever Mrs. Carfax" which is now playing at the T. & D. Theatre. Eltinge was never seen to better advantage as a female impersonator than in the role of Temple Trask, the impetuous young collector who falls in love and who, in order to vindicate the girl he has loved, goes through a series of adventures. The hero, brings the real offenders to bay and evokes the girl, furnishes action on the screen that has few parallels. In the dual role of Temple Trask and Mrs. Carfax, Eltinge gives a more vivid portrayal of the impersonation of the opposite sex than was ever seen when the great star was before the footlights.

In addition to Julian Eltinge in "The Clever Mrs. Carfax," the T. & D. program includes another of O. Henry's great stories visualized on the screen and a Pathe News picture. The latter is particularly interesting this week because of the fact that thousands of wild ducks that make Lake Merritt their haven during the winter months are shown being fed.

Lending additional attractiveness to all T. & D. programs is the music furnished by a symphony orchestra under the direction of A. J. Scenicci. Allen Lane, organist, also offers programs in popular music on the magnificent Hope-Jones Murlitzer organ.

Tomorrow morning the T. & D. will offer free to the public an hour of good music in observance of Thanksgiving.

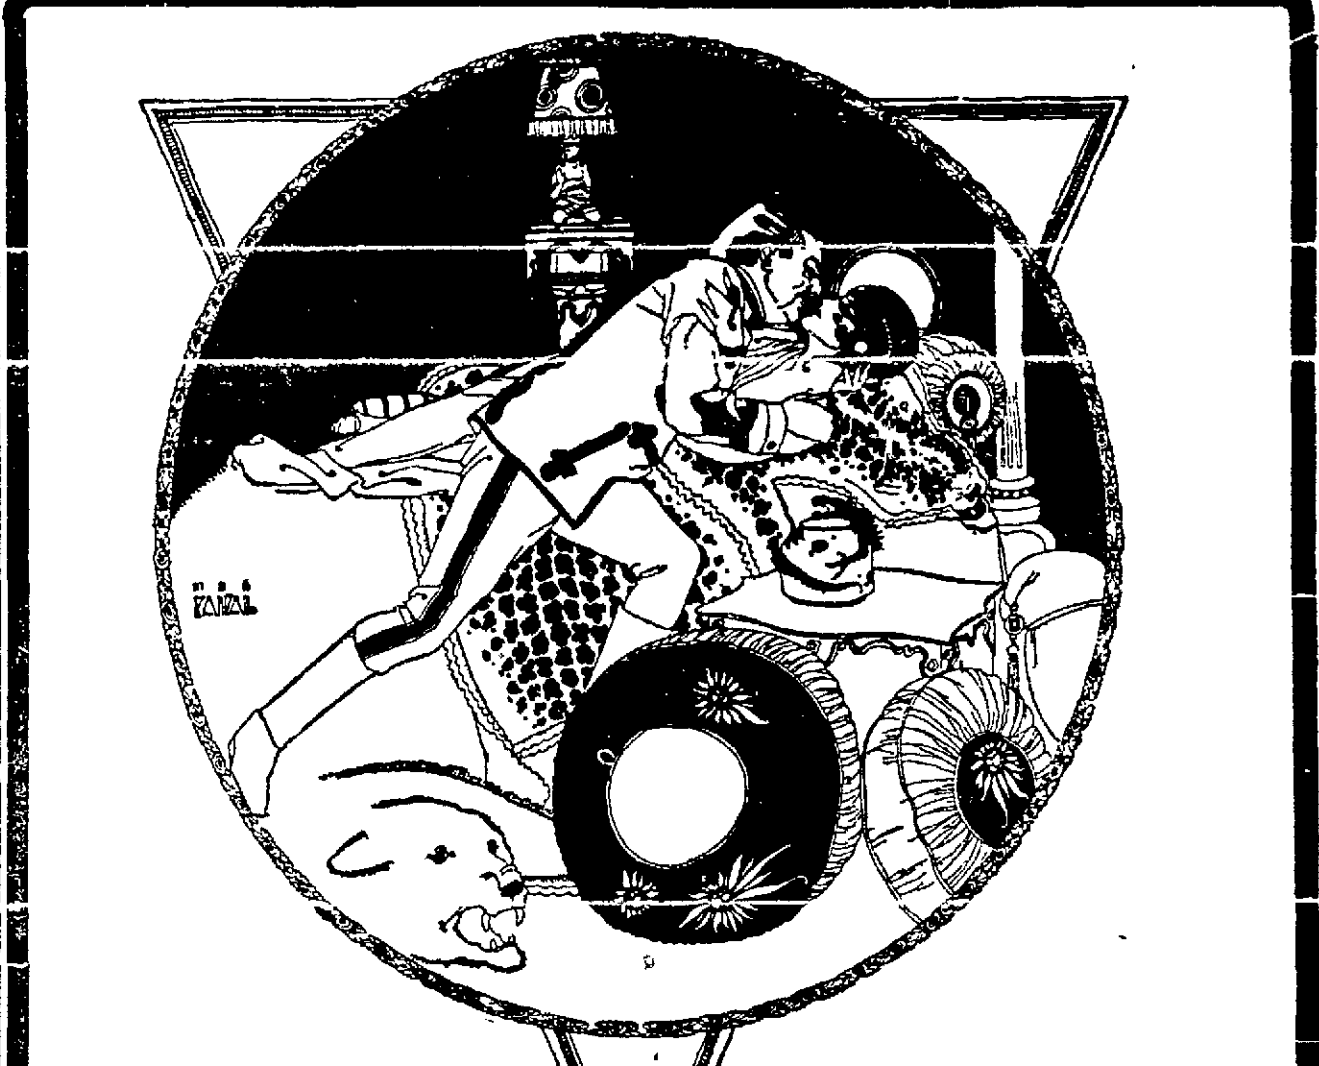

READY TO OPEN

Everything is in readiness for the great combined poultry, pigeon and rabbit show, which opens in the Oakland Auditorium tomorrow morning. Every well-known exhibitor on the Pacific coast is in one or more departments. More than 300 entries have been made in the rabbit division, as against 180 last year. The fact that rabbits can be raised for 6 cents a pound and kept in a small enclosure has appealed to the patriotic American. All the rabbit entries are to be judged Thursday, the judges being Arthur Petty and Louis Regner.

EX-CONSUL BACK

HAVANA, Nov. 28.—Henry H. Morgan, formerly United States consul general at Hamburg, Germany, has arrived here. He will represent the United States government in co-operation with the Cuban national board of defense in the regulation of food imports from the United States.

UNION LEASE IS PASSED BY THREE VOTES

Breaking the deadlock that impeded in the controversy over the proposed Union Construction Company for lease for twenty-five years of 42 acres on the waterfront, Mayor Davie breached his leave of absence and assumed his chairmanship of the city council with the result that an ordinance granting the lease was passed to print by the votes of Commissioners Edwards and Soderberg.

Commissioner Jackson asked to be excused from voting on the ground that the council refused to consider a report from City Attorney Mori on his findings regarding similar leases in other cities, and Commissioner Morse voted "no," stating that he is not satisfied with the provisions of the lease.

Commissioner Morse refused to introduce the necessary ordinance which was prepared by the city attorney, and Commissioner Edwards then assumed responsibility for the proceedings, declaring in a long address to the council that he felt the advantages to be obtained through the location of the concern in the shipbuilding industry is the main point to be considered. He and Commissioner Soderberg assumed the attitude that it was not necessary to hear from the city attorney as his report would make no difference in the situation pertaining to the proposed lease.

By the terms of the lease the company is to pay the city \$15,250 a year rental and to expend \$1,000,000 on the lease.

President W. W. Johnson declared that his associates would not consider a "recapture" clause under any circumstances as it would interfere with the financial arrangements for developing the industry.

As a result of council's action today it is probable that the lease of the entire waterfront sought by A. J. Woolsey will be abandoned. Woolsey's leasing yesterday that his principals would not consider the portion remaining after the Union Construction Company were granted their acreage on the northern end of the city's holdings.

YOUNG'S FUNERAL

Funeral services will be held Friday for Henry J. Young, well known rancher and apartment house owner, who died at his home, 2315 Ninth avenue, two days after hearing of the death of his brother in Middletown, Ohio.

"Well, I guess I'll be next, and I might as well go," he said after he had learned of his brother's death. Within a few hours he was stricken with paralysis. He had been a sufferer from stomach trouble for some time. He leaves a widow.

Services will be held at the Piedmont parlors of Roach & Kenny Co.

You Are Partly Made of Iron

That is, iron is an essential constituent of pure, healthy blood.

It is a wonderful corrective of anemia, paleness, languor, nervousness—whether caused by hard work, worry—over-use of salts and other blood-depleting chemicals that are doing so much harm to many people just now—or any other cause. Pepton will restore the iron strength that you must have for cheerful performance of daily duties.

Pepton is in convenient pill form, chocolate-coated and pleasant to take. Get it today.—Advertisement.

'I Did It,' Reilly; 'He Did It,' Davie Alibi Quintessence of Accuracy

Two statements issued from Mayor Davie's office today in regard to the circulation of an attack upon the Y. M. C. A. Public Welfare League and Women's Christian Temperance Union, present the mayor's side of the question and that of Philip Reilly, publisher of the paper in which the attack appeared.

Mayor Davie denies that he authorized the statements made by Reilly. Reilly takes full responsibility for the attack, and declares that no one has "denied the correctness of his statement."

The article to which exception has been taken by civic workers, members of the organizations involved and women in welfare work in Oakland was contained in the "Anti-Recall Edition" of the Oakland Free Press, published by Reilly, and distributed at Mayor Davie's anti-recall meetings. It contains a laudatory editorial about Mayor Davie, several attacks upon the recall forces, and a notice of the recall forces with the public welfare bodies.

The editorial article contends that if the "Women's Christian Temperance Union and the Welfare League" have their way "they will have accomplished (in the army and navy) just what the reformers did in Sedona and Gomarrath."

Reilly's statement follows:

REILLY'S LETTER.

"In your issue of November 27, you report a speech delivered by Albert Elliot, in which he distorts the statements made by me in the Oakland Free Press. He did not, however, deny the correctness of my statement, but attempted to whip Mayor Davie over my shoulders in the usual attorney style. The average woman wants to know the truth; we have given her the truth in the style that Elliot would have you believe. If the mayor was responsible for every utterance of his supporters he would have a task too large for a human being.

It is a well known fact that no one dictates the policies of the Oakland Free Press, nor have we ever been called upon to apologize. In justice to Mayor Davie we ask you to publish this. Any one whose feelings have been hurt are welcome to hold me personally responsible. Yours very truly,

(Signed) PHILIP REILLY."

THE MAYOR, TOO.

The mayor's explanation is as follows: "The old practice of circulating half-hour lies has been resorted to by the recallers. They are attributing to me statements made by others, thereby trying to hold me accountable for everything said or done by all recall opponents. The eager office-seeking candidates cannot throw enough mud at me to suit the recall interests so they have hired some former political campaigners to bolster their recall hour falsehoods.

"If I am to be held liable for all statements of recall opponents, then the recallers should be held responsible for every act of their supporters. Do they want to stand on the character of one of the paid recall deputies who was recently charged of having offered to sell his vote on a jury?

"There are small and questionable tactics that will charge me at this eleventh hour with the responsibility for the statement appearing in a paper that was circulating long before I was ever elected to office.

(Signed) JOHN L. DAVIE, Mayor."

IT'S COLUMBUS ATTEMPTING.

"It is inconceivable that the vile matter I hold in my hand could have been distributed in any American community," declared Albert J. Elliot, speaking last night before a large audience at the "Anti-Recall Edition" of the Oakland Free Press.

"This campaign literature, filled with smut and obscenity, has been distributed in school buildings in Oakland at meetings where Mayor Davie has spoken. It is an insult to the womanhood of Oakland, a direct insult to the Public Welfare League, the Women's Christian Temperance Union and the Young Men's Christian Association. Are the men and women of Oakland going to endure this sort of thing?

"This article says: 'We will not be surprised if "leaks" to the enemy have been furnished by those Young Men's Christian Associations that are tagging our boys about—that is, that the Young Men's Christian Association, commissioned by the United States Government to perform certain splendid services for the boys in the trenches, may be supplying "leaks," information to the enemy.' And the infamously charged.

"The Barbary Coast in its palmyest days was never accused of indulging in the unnatural crimes that have been proven against the virtuous Welfare Leaguers.

"This is immediately followed by what is here called a sample ballot which you are advised to use on December 4th. It advises against the recall and in favor of John L. Davie. How this could happen in a civilized community is more than I can comprehend. In all my public experience of nearly twenty years, I have never seen such an expression of

bestiality in public print and circulated among your sons and daughters.

"I am informed that this very literature was carried around town in Mr. Davie's auto in charge of his son Fred Davie, the official chauffeur to the mayor and that he was accompanied by this publisher of this vile sheet I hold in my hand.

"Mayor Davie, I understand, is making a characteristic denial of responsibility for this literature. But since November 7, without raising his voice in protest, without making effort whatsoever, he has permitted it to be distributed by his campaign managers and from his chambers in the city hall.

"It is obvious that the mayor has not only countenanced it, but has given it his approval in allowing Reilly, who has been working under instructions from the mayor's office, to distribute it about the city. The mayor cannot, at this late date, hide behind Philip Reilly, after allowing him to make what use he pleases of this campaign literature in schools and other places in school houses and in homes and upon the streets."

WOULD BAR PAPER.

Application has been made to Postmaster J. J. Rosborough to close the mails to the "Anti-Recall Edition" of the Oakland Free Press, which contains the attack upon the Public Welfare League, Young Men's Christian Association and the Women's Christian Temperance Union on the ground that it contains obscene matter and statements bordering upon disloyalty to the government.

It has not been ascertained whether the postal authorities can exercise any authority over the Reilly publication, as it is not registered as second class matter. The question will be looked into by Rosborough.

MISS WOOD TO SPEAK.

Miss Jessie J. Wood, a prominent worker for child welfare and a leader in civic circles, will speak on the recall tonight at the vocational high school, Twelfth and Market streets. Dutton will also speak. There will be Dutton meetings at the Prescott school, Ninth and Campbell streets, and the Cole school, Tenth and Union streets.

Candidate Anson B. Weeks spoke on the tax rate and the waterfront leases in several neighborhood meetings on Friday nights of this week, and at the Auditorium Opera House in this city. Dutton.

Weeks and A. M. Thompson were given an enthusiastic reception by the men at the Union Iron Works at noon today. Weeks announced that he would work in behalf of raising the standards of labor if elected.

Political circles are abuzz with guesses and estimates on the election returns of next Tuesday. The Davie forces are claiming a victory, on a possible 30,000 total vote, of from 3000 to 5000 votes. Optimistic recall advocates are predicting a similar victory for the recall of the mayor.

Conservative estimates among the recall forces take the position that the concentration of the strength of the three candidates in favor of the recall of the mayor at the first election. They are basing their prediction on the strength shown by the Socialist vote in all recent elections in the East and Middle West, and on the strength of the Weeks and Dutton forces. All these will be polled against Davie.

MUST BEAT ALL.

There has been an impression among some of the recall forces that Davie was only to beat each of his opponents individually. As a matter of fact he has to beat them all, as the supporters of each candidate opposed to the mayor will not only vote for their candidate, but will vote in favor of the recall of the mayor.

FLYER BUCKLEY IS NOT KILLED; HELD PRISONER

PARIS, Nov. 28.—A postcard has been received from Sergeant Everett F. Buckley of Kilbourne, Ill., an American aviator fighting with the French army, stating that he is wounded and a prisoner of war in Germany.

Buckley was brought down inside the German lines at Verdun on September 7, and as his machine was on fire it was reported he had been killed.

The news today was received by the French captain in command of the escadrille to which Buckley was attached, and it caused great rejoicing among his French comrades and the Americans. The card gave no details.

EXPECTED TO DIE

Found unconscious with a fractured skull in the loft of the Paraffine Paint Company's factory in West Berkeley shortly after the noon hour today, Frank Pott, an employee 22 years old, is not expected to recover from his injury, which was evidently received by contact with machinery. He is now in the Roosevelt Hospital under the care of Dr. W. H. Crane.

Pott is married and lives at 2777 Eighth street, Oakland. There was no witness of the accident, and it is not known how he received his injury.

OAKLANDER DROWNS ON TRAINING TRIP

Written with paper and pencil, somewhere in Lower California, and mailed at Los Angeles by the captain of a steamer, comes a message from Antonio Dominguez, fisherman telling of the drowning of Alvin Phelps, Oakland mining engineer, who drowned in September prospecting. The letter reads:

"A man by the name of Alvin Phelps drowned near my place about two weeks ago. He was on his way to go to a mine to examine it and didn't come back in two days as he said he would. We looked for him and found the boat upside down. He had letters in his pocket from G. Kesler, 3901 Rhoda avenue, Oakland, and bills from the Jackson Furniture Company, and letters from a wife that looked like they had separated."

The letter was dated November 20. Phelps went south as a partner of George W. Kesler, 3901 Rhoda avenue, now at Camp Lewis, Kesler, so his family investigations. They have been expected to hear from him daily. Phelps was about 40 years of age, and his wife, from whom he is separated, is supposed to be living at the Parker Hotel in San Francisco.

LOCAL GIRL HAS LEAD "IN ADLAND"

There are over one hundred people in the east "in Adland," the spectacular musical comedy to be given by the San Francisco Ad Club at the Savoy Theatre, San Francisco, tonight. The comedy, Friday nights of this week, and at the Auditorium Opera House in this city. Dutton.

Oakland is well represented in the cast. Miss Ethel Berlin of the Oakland Chamber of Commerce plays the unique role of Carry Onn, who sings advertising novelty. Reports from the rehearsal are to the effect that she will make this character one of the hits of the show.

Arthur Hargrave, local ad man, plays the part of Ulysses Samuel Avery, a newspaper proprietor, and he will extract all the comedy that George Cummings, the author, has put into the clever lines. Cummings is also an Oakland man, and a similar bright and breezy book throughout.

Advertisers, solicitors, reporters, artists and photographers are included in the cast of characters. The final discovery and banishment of Fake Ad is the motif of the production.

Some very bright, catchy musical numbers are being during the play, many of the songs being original. Notable among the dancing features is the Cigarette Band in which a series of beautiful girls appear as Egyptian and Turkish dancers. A particularly beautiful number is the "Sunset Dance" in which the cover of Sunset Magazine comes to life.

New scenery is used throughout the production, and the costumes were designed and made especially for "In Adland."

COUNTY WOMEN PLEDGE SELVES TO HELP WILSON

BERKELEY, Nov. 28.—Assuring President Wilson of support and aid of the women of Alameda county, the following resolution adopted by the mobilized women's organizations of Berkeley and endorsed by the women's units of the County Council of Defense, was today sent to Washington, D. C.

"The women of Berkeley represented by the Mobilized Women's Organizations and the County Council of Defense in patriotic meeting assembled, wholeheartedly endorse the policies of President Wilson and his administration and as loyal American citizens, stand ready to perform whatever war work or war service may be asked of them by the government."

This resolution, prepared by Mrs. Carrie Hoyt, was unanimously adopted at a patriotic meeting held under the auspices of the Mobilized Women's Organizations in Hotel Shattuck yesterday afternoon. Representatives were present from different women's units of the County Council of Defense. Dr. Frederick F. Roberts, president of the Mobilized Women, was chairman of the meeting. John Francis Neylan, former head of the State Board of Control, L. H. Bledsoe, principal of the Berkeley high school, and Miss Alice Hoyt were the speakers.

DECORATE YULE LETTERS; SEALS TO BE ALLOWED

WASHINGTON, Nov. 28.—Christmas and New Year greetings in the form of tiny stickers like the millions put out by the Red Cross every holiday season may be alongside of the address on the mails next month under an order announced by the post office department today. To facilitate handling the heavy load of Christmas mail the postmaster general has suspended during December, the order that treats as unmailable all matter bearing on the address side adhesive seals or stickers other than postage stamps.

DRY WASHINGTON AS CONGRESSMEN ASSUME DUTIES

WASHINGTON, Nov. 28.—On the eve of the assembling of Congress the local authorities put into effect today drastic measures to keep whiskey out of the city.

Sixty-one residents, including three women, were arraigned in court today charged with violating the law which prohibits the interstate shipment of liquor in unlabeled packages. All were taken in raids made by the local police and agents of the Department of Justice.

CHILDREN BURNED

CALGARY, Alberta, Nov. 28.—Five children of Mr. and Mrs. George Oakes were burned to death in a fire which destroyed the Oakes farmhouse four miles south of here, last night while the parents were attending a lecture in Innisfail, near here. A sixth child is so severely burned recovery is doubtful. The dead children ranged in age from 15 months to 15 years. The cause of the fire is not known.

DECLARE HER SON, BAIRD'S SON AS WELL

SAN FRANCISCO, Nov. 28.—Veronica "Dody" Valencia came off victorious in a second suit to establish the parentage of her son, David M. Baird Jr., by a verdict today in Judge Sturtevant's court after a long legal battle in which the Baird estate was the defendant. It was her claim that the boy was the son of David M. Baird who was killed a year ago, and that the boy was born in the city of San Francisco. Through witnesses, after taking the stand herself, she proved conclusively that Baird had visited her in a home which she had established and that he had fondled the boy, calling him "My son."

By the verdict the boy is entitled to his share of the David M. Baird estate which amounts to \$116,000 and, in addition, the jury specifically stated its belief that the boy was Baird's son. Baird is a brother of Mrs. William S. Sproule.

In her first suit the Valencia woman was denied a jury trial by Judge Coffey when the will was probated. She carried her suit to the State Supreme Court where the lower court was reversed and it was remanded to the Superior Court for retrial. It was then assigned to Judge Sturtevant.

NOMINATIONS FOR CHAMBER MADE

Nominations of candidates for the directorate of the Chamber of Commerce were made today at a big membership luncheon at the Hotel Oakland. Candidates for the three, two and one-year terms were named, the election to be by ballot in December. The nominees are as follows:

Three-year term—James Traverser, Dr. J. Lorán Pease, Dr. George C. Pardee, L. H. Clay, George E. Sheldon, Norman De Vaux, George A. Cummings, C. A. Fieveler, J. J. Dunn, C. A. Thatcher, L. H. Cromwell, V. O. Lawrence, R. E. Marchant, Otto Platter, J. N. Burroughs and E. A. Vandeventer.

Two-year term—B. H. Pendleton and John Smith.

One-year term—H. K. Jackson and W. W. Chapin.

The election will fill the offices of directors, retiring and resigning, with the end of the year.

PIRE AT IRON MINE.

BIRMINGHAM, Ala., Nov. 28.—The washes and tipple at the Sayreton mine of the Republic Iron and Coal Company burned last night with a loss estimated at over \$200,000. The mine, one of the largest in this section, is closed as a result.

KNEW KAUFMAN YEARS AGO AND HE TELLS HIM SO

"George Kaufman, don't you remember me? I used to know you when you were secretary to the old Board of Public Works twenty years ago. You wouldn't cut me out of a job, would you?"

"Yes, I remember you, John; you were a pretty good fellow in those days," replied Kaufman, who presided at the meeting of the Civil Service Board last night.

John Alsop, who was dropped from the civil service list of employees of the street department, appeared before the board and asked that his status be restored. He said that he was out of the city when the order came for him to go to work again.

"You and me were pretty good friends in those days, weren't we, George?" Alsop asked, and we used to do it? I need that job now."

Alsop then walked out of the room.

"Men are pretty scarce," commented Kaufman, and Commissioner Ralph T. Fisher agreed with him.

"We'll leave it up to Secretary Colburn to straighten it out," it was agreed, and it looks like Alsop will go to work.

TWO-JOB BAN IS HELD GOOD LAW

The appeal of Assemblyman William Satterwhite for a rehearing of his suit attacking the constitutional amendment barring the holding of two state offices at once was denied today by the State supreme court, thus ending the case. Scores of office-holders throughout the state will be affected by the decision, as the Satterwhite action was presented as a test case which should govern the situation of others who would have to give up one of two positions under the new constitutional law.

Satterwhite, Senator E. J. Tyrrell, former Senator E. K. Stromwater, Assemblyman Paul Americh and Senator Frank Carr were all affected by the amendment. Satterwhite's suit was to mandamus County Auditor Frank Garrison to pay him his salary as deputy district attorney.

TRIBUNE THANKED

Mr. Jos. Knowland, Editor TRIBUNE.

Dear Sir:—The Oakland Federation of Mothers' Clubs and Parent-Teachers' Associations wish to express appreciation of the publicity given us through the columns of The TRIBUNE.

By efficiently reporting the work of the many local associations comprising the Oakland Federation, Miss Edna Kinard has contributed in no small measure to their success and increased membership.

Truly yours,
MRS. J. GEO. SHORT.

MRS. HOWE HELD FOR SHOOTING

Mrs. Orlean E. Howe of Oakland was held without bonds in Visalia to answer to a charge of murdering William H. Brooks, whom she shot down in a Porterville hotel ten days ago. She was remanded to the custody of the sheriff of Fresno county to be held until a date for trial can be agreed upon by the district attorney and Attorney Frank McGowan, defense counsel. These arrangements will be completed early next week. It is probable that the trial will begin during the middle of February.

Today's court proceedings were confined to formal arraignment and preliminary hearing. Enough witnesses were examined to warrant holding the defendant.

WEARY OF MOVING

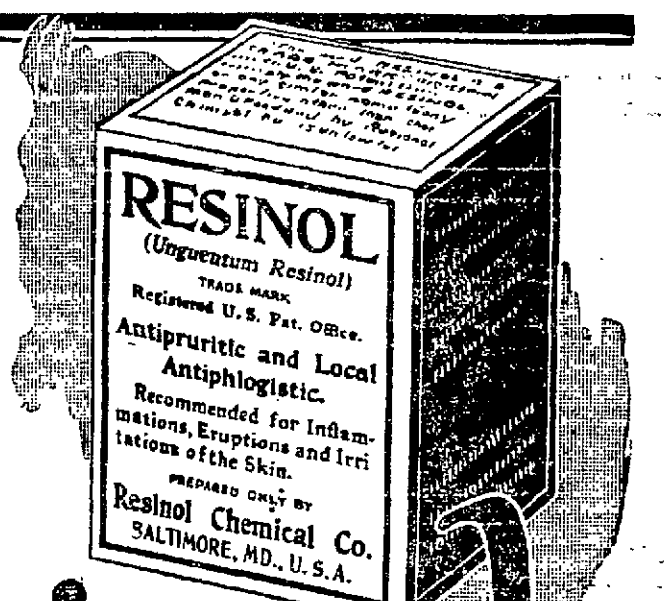

After the Smiths were married in 1895, they went to Illinois, thence to Wisconsin, thence to Illinois again, thence to Kansas, thence to Texas, thence to Michigan, to Texas again, to Maine, to Missouri, to Los Angeles, to Illinois, to Oakland, to Alabama, to Arkansas and again to Oakland. In all but two or three of the states they moved once or more, and now she refuses to budge. She says she wants to stay here, and the suit was filed today. Glennett B. vs. Harry E. Smith.

The complaint further alleges extreme cruelty, threats to kill and correspondence with other women through matrimonial agencies.

Excellent Laxative For Elderly People

As we pass the prime of life the various organs of the body have a tendency to weaken, especially the bowels. Regularity in this important function is so essential to good health that old folks should be very careful to avoid constipation. A congestion of stomach waste in the bowels occasions dizziness, headache, drowsiness, after eating, biliousness, belching, bloating, etc., and should be corrected immediately; it is the direct cause of much nervous disease.

The most effective remedy for constipation is a combination of simple laxative herbs with pepton sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. It costs only fifty cents a bottle, is mild in its action, does not grip or strain, and brings relief quickly in an easy manner. Use a bottle of it from your druggist and keep it in the house; it is the ideal family remedy. A trial bottle can be obtained free of charge by writing to Dr. W. B. Caldwell, 636 Washington St., Monticello, Illinois.

Easy to get rid of itching with

Resinol

Wherever the itching, and whatever the cause, Resinol Ointment will usually stop it at once. And if the trouble which causes the itching is not due to some serious internal disorder, this soothing, healing application seldom fails to clear it away. For years, Resinol has been a favorite prescription of physicians for skin affections—try it yourself and see why.

Resinol Ointment, and Resinol Soap, which contains the Resinol medication, are sold by all druggists.

HOW TO PREVENT APPENDICITIS

APPENDICITIS is primarily due to the poisons formed by decaying food in the bowels. It is a disease caused by improper eating and drinking habits. Many people have only a small passage in the center of the bowels while the sides are clogged with old, stale fermenting matter. They may have a bowel movement every day but it is not a complete movement and the old stale matter remains in the bowels and causes trouble. Besides appendicitis such unclean bowels cause headaches, stomach trouble and 50 per cent of all other sicknesses. The old foul matter sticking to the sides of the bowels often stays in for months, poisoning the body and causing frequent sickness, tired feeling known as "auto intoxication."

HOW TO AVOID TROUBLE.

The way to avoid sickness and to keep feeling full of ambition is to watch your bowels, just as you keep the outside of your body clean, you should also KEEP THE INSIDE CLEAN. It is even more important to keep the bowels clean than it is to keep your body washed, because the millions of pores in the thirty feet of bowels quickly absorb poisons generated by decaying food left carelessly in the bowels. Don't allow the old, fermenting, filthy stuff to stay in your bowels for weeks, but GET IT OUT and keep it out. Remember, filthy bowels are the cause of most sickness—no stomach, liver or any other organ can do its work with a foul seething mass of gases and poisons. Even if your bowels move slightly each day, that is not enough. There must be an occasional THOROUGH, complete cleansing to rid your system of all accumulated and lingering matters.

HOW TO CLEAN BOWELS QUICK.

THE MOST COMPLETE bowel cleanser known is a mixture of buckthorn bark, sycamore and ten other ingredients, put up in ready prepared form under the trade name of Adler-I-Ka. This mixture is so powerful a bowel cleanser that it ALWAYS does its work properly and thoroughly. It removes foul and poisonous matter which other cathartic or laxative mixtures are unable to dislodge. It does a COMPLETE job and it works QUICKLY and without the least discomfort or trouble. It is so gentle that it NEVER has been known to irritate the bowels. It has been taken by the THOROUGH evacuation of the bowels. It is astonishing the great amount of foul, poisonous matter a SINGLE STOONFUL of Adler-I-Ka draws from the alimentary canal—matter you would never have thought was in your system. Try it right after a natural bowel movement and notice how much MORE foul matter will be brought out which was poisoning your system. In slight disorders such as occasional constipation, sour stomach, and indigestion, Adler-I-Ka is a most effective remedy. It is a constant surprise to people who have used only ordinary bowel and stomach medicines and the various oils and waters.

REPORTS FROM PHYSICIANS.

Dr. James Weaver, Los, Utah: "I have found nothing in my 50 years' practice to excel Adler-I-Ka."

Dr. A. L. Line, West Baden, Ind.: "I use Adler-I-Ka in my practice and have found nothing to excel it."

Dr. F. M. Prettymann, Mollard, Minn.: "I use Adler-I-Ka in all bowel cases and have been very successful with it. Some cases require only one dose."

Dr. J. E. Puckett, Mollard, Minn.: "One of our leading doctors has used Adler-I-Ka in cases of stomach trouble with wonderful success. He has not lost a patient and saved many operations."

Dr. J. E. Puckett, Mollard, Minn.: "I had had stomach trouble. After taking Adler-I-Ka, I feel better than for 20 years. I have no more indigestion, no more flatulence, no more gas, and the awful impurities which were eliminated from my system."

Dr. J. E. Puckett, Mollard, Minn.: "Thanks to Adler-I-Ka, I can sleep all night now, something I could not do for years."

Dr. L. A. Austin, Ausland, Minn.: "I could not eat a thing, my stomach was so weak. Adler-I-Ka made me feel better and am now able to work and gain weight."

Adler-I-Ka is sold only by the leading druggist in each city. Sold in Oakland only by Aker's Brothers, Druggists, 1000 Broadway, San Francisco by Wakel's Pharmacy. Throughout California by the leading druggists in each city.—Advertisement.

USE HUN SHIPS

RIO JANEIRO, Nov. 25.—The Brazilian government has reached an agreement with France for the use, under the Brazilian flag and for a period of one year, of thirty former German ships held in Brazilian ports for the purpose of joint action in provisioning the allied countries in order to hasten the end of the war.

FAST BOUTS AT EMERYVILLE FOR TURKEY DAY MATINEE

PERCY AND FERDIE—A Good Guesser? Percy's All of That

By H. A. MacGILL

Creator of the Hall-Room Boys.

Kenworthy Is Signed Up by The Maxwells

Remmer's Team Tied for First Place, but He Is Still Looking for New Strength.

By EDDIE MURPHY.

Phil Koerner and Charley Pick of the Seals have been signed by Crockett, and will play next Sunday against Pittsburg.

Although his team is tied for first place with the Crockett and Pittsburg teams in the Class A division, Herb Remmer, the manager of the Seals, is not taking any chances of being crowded out from the Winter League top and has gone out and signed Phil Kenworthy, the Los Angeles second sacker.

Herb believes that a winning team can never look too strong and whenever there is a chance to strengthen he is going to do it. The signing of Kenworthy by Remmer comes as a big surprise to the other managers, as hardly any of them knew that the Los Angeles second sacker had arrived in town a week ago. Upon arriving Kenworthy immediately went to see Remmer, but Herb was not quiet about Kenworthy being in town, but as soon as he found out and got his name to a contract Herb was ready to tell the world about it.

Kenworthy will play right field Sunday when the Maxwells will meet the Oakland Parlor of Native Sons at Fruitvale. Ted Brandon, the St. Mary's player, who had down that position last Sunday, has gone to the Maxwells with his folks and doesn't expect to be back in time for the game. Just where Remmer will place Kenworthy when Brandon returns is hard to tell, as all the players on the club have been putting up a great brand of ball.

The result of the game at Pittsburg Sunday is going to be watched with much interest, as the Crockett and the Columbia Steel Company team, who are scheduled to meet up there, are tied with the Maxwells for first place. One of the clubs will have to fall down in the percentage column, unless a tie is played. If the Oakland Native Sons can trim Maxwells, it will leave one club in first place Sunday night.

All games to be played on the Oakland and Alameda diamonds in the Class A division, from now on must start at 2 o'clock sharp. This time has been set instead of 2:30 by President Jerry Lawlor, on account of darkness setting in so early these days. Last Sunday at Fruitvale it was hard to see the ball in the eighth inning.

There is some talk about Red Powers, the Fruitvale manager, deciding to let Hack Miller be allowed to play with Alameda the coming Sunday. Do you know the reason why he is objecting? Why, of course you do. His team is scheduled to meet Alameda at Lincoln Park Sunday.

Cliff Blankenship says that he has no place on his club for players who think that they can do what they want on the field. When the Marylands meet the Southern Pacifics at St. Mary's Sunday, every player will have to take the game seriously, and for that reason the Pittsburg last Sunday, and if they don't there may be releases to publish on Monday morning.

In the class B division, the Crystal Laundry will meet the Melrose Merchants at Bay View and the game is expected to be plenty to keep the fans going as the Maxwells are in first place. At the home playgrounds, the Maxwells will meet the Alameda Merchants and if they can win and the Crystals lose they will be in second place. At Bushrod, the Santa Fe Improvers, occupants of the cellar, will meet Vitis's Grays, who won their first game last Sunday.

Smoky Stanley Miller, the San Francisco semi-professional pitcher, is in Los Angeles, playing winter ball with Gus Mitchell, and so far has made quite a hit with the Southern fans. The San Francisco man made his first start last Sunday pitching for the San Pedro club and while washed the San Gabriel club 5 to 0, allowing five well scattered hits. The Southern Winter League opened last Sunday at the San Pedro club and the game was a close one, with the San Pedro club winning 4 to 3. The game was very fast, taking only 51 innings. High runs, home runs, and a few hits were scattered in the game Sunday.

Red Powers reports that the arm which Frank Garcia, the little Fruitvale pitcher and utility infielder, threw out a short time ago, is fast running into shape and that he will break into the game Sunday.

Corbett and McCarthy Are Best Prospects in Class B Winter Clubs

Crystal Laundry Batter Sets a Very Fast Pace; Young Pitcher Stars

By Carl E. Brazier.

With four weeks of the Class B division race in the East Bay Cities Midwinter Baseball League gone by, Allen Corbett of the Crystal Laundry team is setting a batting pace that promises to leave the rest of the Class B boys straggling far behind. Already Corbett is well out in front with a batting average of .500, and Plummer of the Santa Fe Improvers and Louis Bullock of the Melrose Merchants are the only boys who are not well distanced. Plummer is batting .455 to date with Bullock hitting at a .429 gait.

Corbett is far out ahead in total bases for which his hits have counted. His eight hits are more than any other batter has to his credit, but of those eight three have been doubles and two have been triples, giving Corbett a total of fifteen bases for which his eight hits have counted. Two stolen bases add still more to Corbett's credit as the most promising youngster who has cropped up in the Class B race to date.

Only one player has scored more runs than Corbett. Nelson, leadoff man for the Crystals, is leading the run-makers with six runs. But Corbett is a clean up man on the team and his hitting has done most to boost Nelson up to his leading position, for Nelson is only hitting at a .118 clip. Corbett is second among the run-makers with five. Only one other player in the league has scored four runs.

MCCARTHY LOOKS GOOD.

Pitching records of the Class B clubs show some promising material among the young pitchers. Frenchy Lafargue of the Crystals has done the most work with 37 1-3 innings on the mound; in that time he has fanned thirty-four for first strikeout honors, but he has walked thirteen batters—more than any other pitcher. McCarthy of the Alameda Merchants has the best control record with only two walks issued in thirty-three innings; he has fanned thirty-two in that time and has allowed only seven runs and fifteen hits. Comparison of all the pitching dope seems to point to McCarthy as the best pitching prospect yet developed in the league.

Thanks to Nelson and Corbett, the Crystals lead the other clubs in total runs scored, but in the club batting, the Crystals are a poor fourth. The Santa Fe Improvers lead the list in club batting, with the Melrose Merchants leading in club fielding. Melrose is last in club batting. Alameda is last in club fielding and fifth in club batting.

VITIS LEAD IN STEALS.

Vitis's Grays lead in stolen bases and also play the sacrifice hit game more than any other club. J. Vitt leads the league in stolen bases with five; Elder and E. Vitt are tied for sacrifice hit honors, each with three. Allen Corbett is the only batter with three doubles, and also the only batter with two doubles. Meadows, Gilstrap, Hohenchild, Foster and Alameda have each made one home run.

Kogler has been at bat thirteen times without hitting safely; Scannel of the Crystals with eleven hitless times at bat is the only other player who has been at bat ten or more times without hitting safely.

Following are pitching records for Class B pitchers to date, showing games won, lost and tied, total innings pitched, strikeouts and bases on balls for each pitcher, and also the runs and hits by opponents against each pitcher:

Pitcher	Club	W.	L.	T.	Inn. pitched	R.	H.	SO.	B.B.
Kogler, Melrose	2	0	0	19	3	10	17	8
Jensen, Melrose	1	0	1	17	2	7	13	5
Schnob, Maxwell	1	0	0	9	3	5	7	2
McCarthy, Allen	2	1	1	33	7	15	32	2
Lafargue, Crystal	2	1	0	37	13	35	34	13
Rives, Maxwell	1	1	0	17	11	19	24	3
Gillispie, Vitis	1	2	1	31	14	20	33	9
Schmidt, Santa Fe	0	1	0	6	6	5	3	2
O'Connor, Maxwell	0	1	0	8	1	6	4	3
Fonseca, Santa Fe	0	2	1	26	13	22	32	7
Ward, Vitis	0	2	0	6	2	2	4	4

Following are club batting and fielding records to date:

Club	G.	A.B.	R.	H.	2B.	3B.	HR.	SH.	SB.	Pct.
Santa Fe Improvers	4	125	12	29	6	0	1	5	3	.282

Melrose Merchants	4	125	8	21	0	1	1	2	5	.168

Plumb Leading in Play for Billiard Honors of County

John Rogers and Fred Plumb played the first block of their 100 point three-cushion match at the Oakland Billiard Parlor last night. The players are battling for the Alameda county championship and they showed some of the finest billiards ever seen in Oakland. Plumb won the first block but he had to fight every inch of the way. Plumb as usual started with a rush and had 11 points before Rogers scored. At the tenth inning Plumb had 12 and Rogers 5. In the next ten minutes Rogers made runs of 5 and 4 and made the score 22 to 15 in Plumb's favor. Rogers fell in a slump at this stage and Plumb gained considerable ground. At the fourteenth inning Plumb had 20 to Rogers's 23. Here Rogers made a sport and was only two points behind last whenever Rogers looked dangerous Plumb would make a run. In the fifty-sixth inning the score stood 43 to 37 in Plumb's favor and he led. At this stage Rogers looked to have a fine chance but Plumb put on an extra burst of speed and with two runs up 4 and a run of 2, finished the game, score 50 to 37. The game was very fast, taking only 51 innings. High runs, home runs, and a few hits were scattered in the game Sunday.

The same aggregation, Silva, Love, and Rogers, and Irish Miller are with them. Miller and Mitchell end their best wishes to all the boys.

If any new men have been signed by the class A managers since last Sunday, their names must be handed into Lawlor tonight if they are to be played the coming Sunday.

Red Powers reports that the arm which Frank Garcia, the little Fruitvale pitcher and utility infielder, threw out a short time ago, is fast running into shape and that he will break into the game Sunday.

McINTYRE FIGHTS FARMER. TONY McIntyre, champion heavyweight of the Pacific coast, will defend his title Thanksgiving night in a six round bout before the Eagle Club, against Frank Farmer. The match is attracting much interest.

YOUNG AZEVEDO BEATEN. OGIEN (Yah, No.)—Felix St. Clair (covered) of Salt Lake was awarded the decision over Young "Joe" Azevedo at the end of their fifteen-round bout last night. They are featherweights.

Leard Lines Up Fast Club For Fruitvale

Hack Miller, Rod Murphy, Rube Gardner Among All-Stars Who Play Tomorrow.

One of the big events on the local sport program for tomorrow is the ball game at Fruitvale Recreation park between Bill Leard's All-Stars and the Fruitvale parlor of Native Sons, and those who take in this game can expect to be well entertained for the couple of hours which they will spend while waiting for the gobble to be roasted and ready for serving upon their return home.

Although there are several other good attractions on the Thanksgiving menu, there promises to be a good crowd out to the game as Bill Leard has lined up a club that is sure to be a magnet, as he has on his club such seasoned players as Hack Miller, Rube Gardner, Rod Murphy, Carmichael, Davis and himself, along with several youngsters who are fast climbing into prominence as performers of the diamond. The outfield will be formed by Miller, Carmichael and Boldt, with Schreiber, Gardner, Murphy, Davis and Leard as infielders. The battery will be "Babe" Menthe and Drolette.

Red Powers announces that his team will be the same as that which he had in the game as Bill Leard has lined up a club that is sure to be a magnet, as he has on his club such seasoned players as Hack Miller, Rube Gardner, Rod Murphy, Carmichael, Davis and himself, along with several youngsters who are fast climbing into prominence as performers of the diamond. The outfield will be formed by Miller, Carmichael and Boldt, with Schreiber, Gardner, Murphy, Davis and Leard as infielders. The battery will be "Babe" Menthe and Drolette.

Fans Know the Boys on Tomorrow's Fight Card As Real Fighting Kind

After being idle for a month, the Emeryville Athletic Club breaks back into the fight game tomorrow afternoon with a big Thanksgiving day afternoon card that should give the boys fight fans the best sport they have had in a long time. The card is chemically pure and free from all taint of the eastern smudge that has threatened to smother the game about the bay for the last few months. Local fighters predominate on the card and the fans know enough of the boys on the card so that they will feel sure that they are going to see some real fighting. There are some clever boxers on the card, but they are in there trying all the time, and there will be no occasion for the fans to raise a wall. The fans know at least one of the boys in each bout and they know that there is not a false alarm on the card.

Battling Ortega and Dick Wells meet in the final bout of the afternoon, but there are a couple of bouts tucked away in the earlier stages of the program that look like the features of the matinee. Charlie Moy and Al Grunman will be in one of these promising bouts and Jimmy Dundee tackles Al Grunman in the other. Since Dundee and Moy hooked up in their bouts at Emeryville, the fans have always used them as standards by which to judge the little fellows when anybody speaks of a fast bout. It is doubtful if any bout in a long time has aroused the same amount of interest and rivalry as the bouts in which Moy and Dundee meet. They are not going to meet on tomorrow's program, but they are back on the same card, and to the fans who want to see them in action again that is encouraging.

Tough opponents have been picked for both Moy and Dundee this time, and it is not clear that they will survive as winners of their bouts. If Moy and Dundee do win their bouts tomorrow they will be given a return bout within the next few weeks. But the boys promise to be fairly even, and it may be that next week will see the boys reversed. Tomorrow Dundee meets Al Grunman and Moy meets Joe Gorman; next week Dundee meets Joe Gorman and Moy meets Joe Gorman. Of course if either bout is a decisive beating, that program will not hold. But while Dundee and Moy figure to have a shade

Football, Baseball, Golf, Boxing and Hunting, Are Chief Holiday Offerings

Army and Navy Camps Boost Day to Biggest in Bay Sport Annals

More sports than were ever bunched up in one single day before will be dished up for the lovers of outdoor sports around the bay tomorrow—the weather man permitting. But if the weather man is not goodnatured tomorrow, that big Thanksgiving Day sport program will fade away in thin air, and about the only survivor will be the Emeryville Athletic club's holiday boxing card—the big circus tent top to the Emeryville arena letting the fighters get by in any kind of weather.

Athletes in the army and navy training camps are largely responsible for the unusual array of events on the Thanksgiving Day card this year, but even without the military activities, there are still numerous athletic events on the turkey day calendar. Baseball, football, boxing, and golf are the headliners among the scheduled events. But other minor sports will also hold down the boards.

BASKETBALL TEAMS BUSY
Independent and school basketball teams will line up for strenuous practice with a view to an opening in earnest of the basketball season in the next few weeks. Basketball managers are sending in their names to the Tribune Basketball Directory in such numbers as give indication of an unusually good basketball season, and the teams are all anxious to be ready right at the start.

Bowling matches will be rolled in the East Bay bowling tournament, but these will not attract much of a following unless, unless rain should wipe out the day's outdoor sport slate.

HUNTERS WILL BE OUT
Duck and quail hunters have not had much of any success so far, because of the continued dry weather, but there will be plenty of the persevering ones go out tonight to stop until tomorrow morning in the hope of upsetting the ducks which says that quail and duck will continue to be scarce until the rains come. But outside of the season-day pursuits of the man who is looking for outdoor life, there are plenty of special attractions bunched for holiday.

LAST GAME FOR U. C.
Football followers will have their interest centered on reports on the outcome of the University of California eleven in its game in the south against the University of Southern California. This is the last game of the season for the Berkeley boys, and despite their reverses at the hands of St. Mary's and in Oregon, the U. C. players still have hopes of glory. With the St. Mary's team cancelling its game for tomorrow with the Selma Tigers, the California team have the moral support of all those whose interest might have been split up with St. Mary's.

At Idora park there will be a football game, staged for the benefit of those who do not care to get their football entirely second hand.

BIG TRANSBAY BENEFIT
At Recreation park, San Francisco, the Fort Scott football team will play the St. Ignace team. The game is the feature of a big sport program. The proceeds will go to the benefit of the allied athletic representatives. Father Joseph McGuire is heading the movement, for the benefit, and is trying to secure sufficient athletic equipment for the boys in the area. The game will be the last of the season, and will be a top-notch boxing exhibition on the Recreation park program.

The real thing in the boxing line will be the Emeryville club's Thanksgiving card, with such featured as Bartling, Oregon, Frank Barrieau, Jimmy Dundee, Charley Moy, Joe Gorman, Johnny Arrouse, Willie Webb, and others on the card.

Soccer followers will center their attention on a game across the bay, in which the best players of the San Francisco California League will play a team of Britishers from I. M. S. Orlita, which is now stationed on Mare Island.

MARE ISLAND PROGRAM
The boys at Mare Island will have some of the best events of the day offered them. Duff Lewis, former star outfielder for the Boston Red Sox, and now a yeoman at Mare Island, will lead the baseball club he has built up against a team of major and college stars, headed by Cliff Ireland, the old-time leader of Ireland's Independents.

Football will also be on the program for the Mare Island boys. The Naval Cantonment eleven, which defeated St. Ignace last Sunday, will play the Naval Hospital team. The game will be for the championship of Mare Island, and already it has worked up more rivalry than any other single issue on the island. Wrestling and boxing bouts are on the slate for the evening at Mare Island.

STARS PLAY AT FRUITVALE
In addition to the baseball game at Mare Island, there will be an all-star game within reach of the local fans. Bill Leard, former Oakland Coast League star, has picked up a club of stars from the mid-winter league, and will play the Fruitvale Native Sons at the Fruitvale park tomorrow afternoon.

In the morning, the Commercial Club and the Athenian-Nile players will stage their annual benefit game at the Oakland Coast League grounds. This game will be for the benefit of the war fund of the Y. W. C. A.

Still another benefit baseball game is slated for tomorrow, when a couple of collections of stars play at San Leandro.

GOLF TOURNAMENT
Among the golf players there are several special Thanksgiving day tournaments on the program. The Sequoyah Club will stage special holiday matches. The Claremont club has already cleaned up the early rounds of a tournament, and has the completion down to the final round for tomorrow. On the other side of the bay special holiday tournaments will be played at the Presidio and Lincoln park links. Thanksgiving day play at the Presidio will also attract considerable interest from among local golfers.

So it looks like the biggest single sport day that the bay region has seen in a long time. And the success of it lies almost wholly with the weather man, for the whole business can be upset by a day's rain.

Ten-Round Fights at Camp Fremont Delayed
Camp Fremont fights will not be staged in California after all, at least not for the present. The present Camp Fremont had planned to stage three ten round bouts tomorrow night, but have called off the card because of the limits of available quarters within the limits of the military reservation. Being a government reservation, the promoters of the camp fights were not subject to the State law which limits boxing bouts to four rounds. There is talk now of building a big boxing arena at the camp, and if the plan goes through the ten round fights will be staged later.

MARRIED LIFE

Big Benefit Ball Game on Turkey Slate

Commercial Club and Athenian-Nile Team Clash Tomorrow, Coast League Grounds.

Out on the Coast league grounds, Thanksgiving morning there will be battle between the Oakland Commercial Club and the Athenian-Nile players. There has always existed a spirit of rivalry between these two clubs, and a great deal of confidence in the Commercial Club's ability to play a good game behind the little scrappers.

MARINES AT LOS ANGELES
Southern California will get more than its share of football for turkey day. The Marine team, which has beaten the best on the coast so far, will tangle with the best eleven the Camp Kearney soldiers can get together. The Marine team, which has beaten the best on the coast so far, will tangle with the best eleven the Camp Kearney soldiers can get together.

U. C. VS. Y. W. C. A.
In the north, the University of Washington is resigned to a defeat at the hands of the great Washington State College team. The Y. W. C. A. boys have been playing a great game this year and hope to register the first victory against the U. C. team in many years. Coach Hunt says that the Indians have no chance to win, but sometimes those "no chance" teams come through.

U. C. STANFORD AT SOCCER
At California field in Berkeley, California and Stanford will clash in a football match. No, it will not be a big game, just a soccer contest. Stanford was first of the team in many years. Coach Hunt says that the Indians have no chance to win, but sometimes those "no chance" teams come through.

Zellerbach Teams Will Play Annual Game Tomorrow
The seventh annual game ball between teams representing the San Francisco and Oakland stores of the Zellerbach company will take place tomorrow morning at Bay View playgrounds with the first ball being tossed over the rubber at 10 o'clock.

Of the six games played, of which one is played every year, the Oakland boys have won four. The rivalry is keen, as the Oakland team has won all its practice games, while the San Francisco outfit has shown enough class to warrant a close contest. Ed Horvinsky, the big outfielder, looks to be the selection to take the mound for the Oakland boys, although Captain Zellerbach may chance his mind and start one of the other crooked arm pitchers.

Speed Martin Will Face San Leandro in Benefit Game
Several San Leandro young women have been selling tickets the past week for a game of baseball to be played in that city Thanksgiving day at 11 a. m. for the benefit of St. Mary's convent school playground fund. The San Leandro Merchants, a strictly amateur team, will play against the Oakland Elks, composed almost entirely of professionals, the battery for whom will be Speed Martin and Osmond. One Merkleman will hold first base, Ben second and Hank Devereaux third. Catchers the Ashland southpaw will pitch for the Merchants. Much interest is being manifested in the game and there will probably be the largest crowd to witness it that ever turned out to a ball game in the cherry city.

FOR A WEAK STOMACH
As a general rule all you need to do is to adopt a diet suited to your age and occupation and to keep your bowels regular. When you feel that you have eaten too much and when constipation takes on of Chamberlain's Tablets. For sale by Osmond Bros. Drug Stores. Advertisement.

Qualifying Round For Diablo Golfers

With six prizes hung up, three of them cups, golf is the chief attraction for sportsmen announced for Thanksgiving at the Mt. Diablo Park club, the qualifying round of the club championship being set for tomorrow, with the final matches Saturday and Sunday. Those entered include William J. Bell, C. M. Bonten, W. H. Berg, E. B. Bull, Thomas W. Cushing, E. L. Cooper, Joseph Chirardelli, J. E. John, A. B. Leach, M. J. Lynam, Dr. J. H. MacKay, William Macdonald, D. L. McKay, Joseph M. Park, Dr. Joseph J. Foster, Clyde Swick, R. M. Sims, E. B. Thorne and Curtis Wright.

Deer are so numerous in West Virginia now that they are becoming destructive and quite unpopular.

Pennsylvania pays a bounty on wildcats, gray and red foxes, minks and weasels.

Year Round Hot Water Service

Oceans of Hot Water For Every Need

Bothersome coal heaters and reservoirs and the old slow-going kitchen kettle are gone! And with them all uncertainty and bother about hot water have departed. Any home can now have year 'round hot water—enough for every need—as easily as you now have light in the evening.

Use an Automatic Gas Water Heater

Here is one of the wonders of modern ingenuity—a device that vies with the phonograph in the magic of its work. Think of it! A mere turn of any hot water faucet automatically heats fresh water instantly—while it flows—and delivers it steaming hot for your use. Any instant of night or day—summer or winter—whenever the need occurs—that instant the exact amount you require is at your command.

No Need to Stint Ten Gallons for One Cent

Your cold water supply is the only limit to Hot Water. Bathe, shave, wash dishes, use the laundry—one at a time or all at once—there's always enough for all. And it costs only one-tenth cent a gallon. Cheapest hot water in the world.

Why forego the delights of this great blessing? Learn how reasonably you can have Hot Water Service in your home.

the best you have in men and mer-
chandise and you won't regret it

Americans should study the south
more; study the people, their cus-
toms and wants. There are no finer
people to deal with anywhere. Their
government and credit are good. They
are refined in their tastes and their
business men are just as exacting as
they are here. The public wants the
best and is willing to pay for it. The
climate is delightful, and I have never
met a man yet who having once vis-
ited there, either socially or com-
mercially, was not pleased to return
and renew his acquaintance with the
many friends he has made there.

C. H. C.

Oakland, November 27.

ETERNALLY INFAMOUS.

Thanks to the kindness of the German newspapers in publishing his portrait, the identity of the commander of the U-boat which sunk the Lusitania, murdering more than thousand harmless non-combatants, including 118 American men, women and children, is at last disclosed. He is Captain-Lieutenant Schwelger, and his name will be infamous as long as the world endures. Whenever he goes he will be pointed out as the perpetrator of one of the most monstrous crimes in history. no

ANOTHER HINDU REFUSES TO TESTIFY

U.S. DEPUTIES IN COURT TO KEEP ORDER

SAN FRANCISCO, Nov. 28.—That the government had not unduly estimated the possible dangers attendant upon the Hindu witnesses in the conspiracy case now on trial before Federal Judge W. C. Van Fleet was again indicated today when the courtroom was thrown into an uproar by the refusal of another witness to testify, and the unusual scene of a defendant blocking with a judge of the district court for a dismissal of the indictment against him upon his agreeing to become a government witness against his countrymen.

Sharp reprimands to attorneys for the defense, charges by Hindu defendants that the court interpreter was not giving literal translations of the dialogue between witness in answer to questions by United States Attorney John W. Preston, and the looming figures of Marshal James Holohan and his deputies standing guard over the turbulent defendants to prevent an outbreak, were the outstanding features of the forenoon session.

When the government called Shiv Dyal Kapur, former official of the Chinese customs at Shanghai and a defendant in this case, to the stand as their first witness today, Kapur refused to take the stand as did John Singh yesterday and started the court by crying aloud, "I will not testify. I will die with my people."

DEFENDANTS CRY OUT.
Cries of encouragement came from the Hindu defendants and order was obtained with difficulty. United States Attorney Preston seeing a prospect of revamping the government case and its weakening without the testimony of this witness, held a hurried consultation with the court.

Judge Van Fleet then asked the witness if he would testify. Through court interpreter A. V. Gould the witness replied, "No. But will I have to go back where I came from if I do. Can I go free if I testify. Because I am a Hindu."

After some delay the indictments in this particular case were dismissed. Kapur then refused to be sworn and asked for an attorney. Judge Van Fleet then replied, "You need no attorney. You are no longer a defendant but a government witness, and this court will compel you to testify as such. All you will be called on to do will be to tell the truth. You are free so far as this court is concerned."

Attorney George A. McGowan, who is representing Lieutenant Wilhelm Von Ertzen and others, then jumped to his feet and objected to the court's procedure. After a sharp fight with Judge Van Fleet, he returned to his seat, the court overruling several objections.

QUESTIONS KAPUR.
At this point Preston began the questioning of Kapur on direct examination and asked him to identify Gopal Singh and Santok Singh, ordering them to stand up from their seats among the crowd of Hindu defendants. This was strenuously objected to by Attorney Timothy Healy, representing a number of the Hindus.

Police Fight With Crowds in Berlin, Vienna

AMSTERDAM, Nov. 28.—Peace demonstrations have occurred in Berlin and Budapest, according to reports reaching here today. Police in both cities, it was declared, had clashed with the peace advocates.

GENEVA, Nov. 28.—Peace manifestations in Vienna and Budapest are becoming almost of daily occurrence. A traveler arriving here today from Austria said that the Austro-Hungarian people are suffering the deepest distress and that death from starvation is common.

PATIENT FREE TO QUIT SANITARIUM

Mrs. Olive Watson is home today at her Berkeley residence after her release from Cowdrey sanitarium on a writ of habeas corpus sworn to by Miss A. Grossman, her former nurse, against Dr. Jau Don Ball, her physician. Dr. Ball appeared in court and explained that his patient's relatives were paying her expenses and it was at their request that she was confined at the sanitarium. He said that she was at liberty to go at any time so far as he was concerned, except that it was his opinion that she was in need of the care she was receiving.

There being no authority for her detention, Judge Ogden told her that she was free to go, but he advised her that in his opinion she was in good hands and that she should submit to the advice of her physician.

The physician says that the nurse believed that Mrs. Watson would be better off at her own home and took the case into her own hands.

who characterized Preston's methods as "deemest of police not tactics" in requiring a defendant to identify himself to a witness.

Preston then asked all the defendants to stand up and then ordered the two Hindus to stand up from the stand and they were identified by Kapur. After a few questions had been asked the witness as to his activities in the plot and the naming of certain of the defendants by him, the courtroom was again thrown into an uproar by the screams of Hindu defendants, who charged Interpreter Gould with not giving a literal translation of Kapur's reply. Gould defended himself by saying he was giving the gist of the witness' testimony.

The Hindus had hardly taken their seats before Ram Chandar jumped from his seat, evaded the deputy marshal standing near him and ran up to the rostrum crying, "can I make a few remarks?"

Judge Van Fleet said, "No, you are represented by counsel."

He was then seized by Holohan and placed in his chair and told to remain there, deputy marshals then surrounding all the defendants, and examination of Kapur proceeded.

CATHOLICS LINE UP FOR WAR DRIVE

Complete organization of volunteer workers who will conduct the eight-day "drive" for the Catholic war fund in Oakland will be effected at a meeting to be held in Knights of Columbus hall this evening.

Joseph A. Kennedy has been selected campaign manager. He will have as assistants a number of vice-presidents and a score or more of team captains. In addition the women are perfecting a separate organization to work in conjunction with the men's campaign committee.

Prominent men who have volunteered their services on the honorary committee directing the "drive" for funds include W. W. Garthwaite, R. M. Fitzgerald, Judge W. H. Donahue, Irving Kahn, F. A. Leach Jr., W. K. Cole, E. K. Taylor, Dr. O. D. Hamlin and J. J. McDonald, Dr. John F. Slavich, John G. Mattos Jr., J. J. Gill, Samuel H. Kitter, and G. Callahan.

Fifty thousand dollars has been set as the quota for Alameda county. Of the five million dollars asked of the nation two million dollars has already been subscribed.

Impetus to the "drive" was given yesterday at the complimentary luncheon given by Archbishop Edward J. Hanna to two hundred prominent men and women citizens. Both Archbishop Hanna and the Rev. Albert J. Palmer made clear the need for support of the war fund drive for both the Knights of Columbus and the Y. M. C. A. These two organizations work hand in hand in administering the social, educational, recreational needs of our fighting men both at home and abroad.

The Catholic recreation centers at home and abroad are open to all men of all creeds at all times just as are the Red Triangle huts of the Y. M. C. A. Both organizations are doing a mighty work as records show and both have been asked to do this by President Wilson.

The intensive "drive" in Oakland begins next Monday and will continue through Saturday night.

FAIR ROYAL MAID NOT TO COME HERE

Friends of Mrs. Margaret Russell Fitzpatrick Barry Carver, Oakland devotee of the arts, are disappointed that she will not be able to visit here. Grand Duchess Tatiana Romanoff, daughter of the late Emperor of Russia, who was to have been the guest of Mrs. Carver in this city within a few days.

It now develops that Princess Tatiana is coming to the United States to put the Russian Red Cross fund on a footing of self-help. She is supposed to be on route to write for Russian relief. As a result society is putting the postponed visit on a "stand-by" basis.

Signs of court presentations, back into moth balls and camphor.

Now, according to Mrs. Carver, who is now at Denver, is very much be-pledged by German sleuths. According to the New York Herald Tribune, the Russian Relief association at New York, Miss Romanoff was one of the principals at a mock marriage in Siberia with one of her father's chamberlains, which enabled her to escape from Tobolsk, disguised as an exile.

Now everybody says it is a joke. Russian consular officials declare Princess Tatiana is still comfortably ensconced in Siberia. Mrs. Carver, who was to have met her on the Pacific coast, now announces that Tatiana has been mustered into view over night, and that she will not share the fate of her father's chamberlains, but will sing, dance and write fairy tales.

"Too much publicity," is Mrs. Carver's explanation of the fiasco.

"Wonderful publicity," declares former Russian consul Artemi de Wyndoff of San Francisco, who is waiting for Tatiana's managers are waiting. Movie men are waiting. Society is waiting.

But where, oh, where is Tatiana?

What is doing TO-NIGHT.

Hypothyreosis, Caused by Injury, Is Disease Urged in Mrs. De Saulles' Defense

Sister of Slayer Tells of Automobile Accident.

By Herbert N. Berg, International News Service Staff Correspondent.

MENHOLA, L. I., Nov. 28.—Hypothyreosis was the mental disease from which Mrs. Blanca de Saulles was suffering when she killed her former husband, John Longer de Saulles, on the evening of August 2.

That this was the basis of the defense was shown this afternoon when the battle of alienists over the defendant's mental condition began.

Hypothyreosis, it was explained, is an atrophy of the thyroid glands and the defense will attempt to show that this condition resulted from a fracture of the skull suffered by the defendant in her childhood.

MAID DESCRIBES TRAGEDY.
Suzanne Montau, the French maid who accompanied Mrs. de Saulles on the night the latter shot and killed her former husband, today gave a most graphic description of the tragedy.

"Oh, it was terrible, terrible," she sobbed.

"My mistress say, 'I want my boy,' and then Meester de Saulles say, 'You not have him, now or ever day, no use to argue.'"

"And then my meestress say, 'There is only one thing to do,' and then—Oh, it was terrible. I scream and run out on the grass."

The maid told of the arrival of officers, the arrest of herself and Mrs. de Saulles and their incarceration.

Immediately on cross-examination, the district attorney attacked the witness with all the fury of a tornado.

"You are not excited, are you?" he almost shouted.

ONE CHIEF IN COURT.
On receiving a negative reply he then asked her why she was crying about while talking of the shooting.

Before she could answer the defense made objection, saying the question was insulting and that one seeing such a tragedy would naturally be upset.

"Yes, perhaps so," retorted the district attorney. "Some who did not see it sat and wept."

He referred to counsel for defense (Uthart), who wept while Mrs. de Saulles told her story.

"Quite right," shouted Attorney Uthart, "and some who claim they saw the tragedy did not weep."

The maid's most damaging statement was that De Saulles acted as though he was going to strike her "meestress" just before the shots were fired.

Try as he might, the district attorney could not shake her from this testimony.

SISTER IS HEARD.
Amelia Errazuriz, sister of the defendant, was called to tell of the injury received by the defendant in an automobile accident.

On the head subsequently resulted in a diseased brain which brought about temporary lapses of memory. Mrs. de Saulles was thrown from the car and struck on her head, the witness said.

She told of how the child, Jack de Saulles Jr., remained in the De Saulles home, and often repeated these words to his mother: "Oh, I forgot 'Ecoby' (the nurse at the De Saulles home told me). I should not love you any more. She told me I should be bad."

The defense succeeded in bringing out the fact that the defendant suffered from chronic headaches, inferring they dated from the automobile injury.

LIKE SLEEP WALKER.
Blanca de Saulles was like a woman walking in her sleep when she was called to tell of the tragedy.

She declared the Chilean heiress undoubtedly had no knowledge of what she was doing when she fired four bullets into De Saulles the night of August 2, when he told her she could not have her child.

"She took no notice of her surroundings," declared Dr. Wright, telling of his visit to the jail. "She had a peculiar wax-like pallor. The whites of her eyes had a bluish tinge. When I spoke she did not hear me. Her talk was vague and confused. I was unable to find any pulse in her left wrist. Her heart was very feeble. There was a depressed area on her head. She shrank when I touched her. Her thyroid gland was withered—her limbs swollen. The depression in her head was an inch and a half in diameter, three-eighths of an inch deep."

August 9 she had hallucinations; thought people were in the room. When she asked me if her husband would take the baby, I told her the man was dead, but she was not moved."

This description was in startling contrast to the appearance of Mrs. de Saulles on the witness stand, when she made brilliant sallies at the district attorney.

PRESSURE ON BRAIN.
Dr. Wright cited a number of symptoms of hypothyreosis, from which, he said, Mrs. de Saulles suffered, and exhibited an X-ray view of her head, showing the pressure on her brain.

D. Stewart Iglehardt, a member of an importing firm, and the first witness called today, he said he and his wife had been acquainted with Mrs. de Saulles' family for some years and had visited at the Errazuriz home in Chile.

Iglehardt said he received a telephone call from Mrs. de Saulles early in the night of the tragedy. She said she was "terribly worried" because "Jack," her son, had not been returned to her home by De Saulles, and asked him to go to "The Box" with her in an endeavor to get him. The witness said he refused because the service she required was "a delicate matter."

The defense closed its case early this afternoon. As the state alienists were not ready to testify, court adjourned until Friday, when rebuttal begins.

Innocent cause of De Saulles murder, little Jack de Saulles, and his aunt, Senorita Errazuriz.

home told me). I should not love you any more. She told me I should be bad."

The defense succeeded in bringing out the fact that the defendant suffered from chronic headaches, inferring they dated from the automobile injury.

She declared the Chilean heiress undoubtedly had no knowledge of what she was doing when she fired four bullets into De Saulles the night of August 2, when he told her she could not have her child.

"She took no notice of her surroundings," declared Dr. Wright, telling of his visit to the jail. "She had a peculiar wax-like pallor. The whites of her eyes had a bluish tinge. When I spoke she did not hear me. Her talk was vague and confused. I was unable to find any pulse in her left wrist. Her heart was very feeble. There was a depressed area on her head. She shrank when I touched her. Her thyroid gland was withered—her limbs swollen. The depression in her head was an inch and a half in diameter, three-eighths of an inch deep."

August 9 she had hallucinations; thought people were in the room. When she asked me if her husband would take the baby, I told her the man was dead, but she was not moved."

This description was in startling contrast to the appearance of Mrs. de Saulles on the witness stand, when she made brilliant sallies at the district attorney.

PRESSURE ON BRAIN.
Dr. Wright cited a number of symptoms of hypothyreosis, from which, he said, Mrs. de Saulles suffered, and exhibited an X-ray view of her head, showing the pressure on her brain.

D. Stewart Iglehardt, a member of an importing firm, and the first witness called today, he said he and his wife had been acquainted with Mrs. de Saulles' family for some years and had visited at the Errazuriz home in Chile.

Iglehardt said he received a telephone call from Mrs. de Saulles early in the night of the tragedy. She said she was "terribly worried" because "Jack," her son, had not been returned to her home by De Saulles, and asked him to go to "The Box" with her in an endeavor to get him. The witness said he refused because the service she required was "a delicate matter."

The defense closed its case early this afternoon. As the state alienists were not ready to testify, court adjourned until Friday, when rebuttal begins.

GROCERS CALLED.
Four Alameda retail grocers and one from Sacramento were summoned today to appear Friday before the United States Food Administrator for California to answer charges of alleged violation of food regulations prohibiting combination sales. These men, according to the administration, advertised such sales after the regulations became effective, promising to give sugar or other commodities with certain purchases of other goods. It was pointed out that the law permits one combination sale only, two pounds of cornmeal with one pound of sugar.

HIGH PORK PRICE.
CHICAGO, Nov. 28.—Pork available for immediate delivery commanded \$50 a barrel today, the highest price on record. The topmost figures during civil war days when gold was at a big premium, was \$43. Today's sales of pork showed that the commodity had risen \$2.50 a barrel in the last fortnight. Huge purchases of packing house products for the government was the chief reason ascribed for the remarkable jump in values.

NATION DRY LAW MAN, GIRL, HELD.
WASHINGTON, Nov. 28.—The House may decide the fate of the nation-wide prohibition amendment shortly after Congress meets. Under a special rule now being prepared by the House rules committee, the amendment is to be voted on before the Christmas holidays unless unexpected opposition develops.

Speaker Clark predicted today the House would spend but one day on the amendment. The resolution to submit the amendment passed the Senate last session.

FATHER TO WAGE FIGHT FOR CHILD.
Returning from Alaska after years of search for a fortune now within his grasp to find that his only daughter had been placed in the care of strangers, James P. Gray, who is stopping at the Hotel Oakland, is preparing to wage a legal battle to regain control of pretty Mildred Gray, who two months ago appeared as inspector or Lee.

Tearful the girl visited Inspector Agnew, who was then acting captain of inspectors. She had just arrived from Sunnyvale, where for a long time she had been in the care of a Mrs. Pitts, who was paid by her stepmother, who lives at 407 Alcatraz avenue. According to the story told by the girl at the time, she had been separated from her father for ten years and the last she had heard from him was in letters from Oakland. She was turned over to the authorities at the Detention Home and later through the Juvenile Court she was placed in the care of Mrs. J. B. Heal of 207 Fifty-seventh avenue.

After registering at the Hotel Oakland last week Gray went to the home of Mrs. Heal and demanded that his daughter be turned over to him, according to the police. He was refused and as the result a complaint for his arrest on a charge of battery was obtained. When the case was called before Police Judge Samuels today it was continued until next Monday at which time further development in the peculiar entanglement is looked for. At any rate, Mildred has now found her father for whom she came to Oakland to search for.

"Caltex"—The New Invisible Bifocal
"Caltex" is the only perfect Invisible Bifocal ground from a single piece of scratch-resisting ophthalmic glass. "Caltex" lenses are perfect in every way, and not an experiment. The annoying reflections and aberrations found in the old-style bifocals are eliminated. These lenses can be ground very thin—in fact, as thin as a single focus lens—this means that extra strong bifocal lenses can be made without undue weight. "Caltex," the masterpiece Invisible Bifocals, have established themselves firmly with all who wear them, and the demand is constantly increasing. Have your next prescription for Bifocal Glasses made in "Caltex."

Thanksgiving This Year Has a New Significance

The high cost of living will have its effect on our Thanksgiving table. Quantity will be curtailed, but not quality. The American public has always wanted the best, and always will. Lehnhardt's have made special preparations this year to take care of your dessert problems. Phone Oakland 486 and see how economically your dessert can be obtained. Don't forget the boys at the front and training camps. A "Surprise Package" of sweets prepared by Lehnhardt for mailing, will make their Thanksgiving dinner bigger and brighter. Broadway, between Third and Fourteenth streets. Advertisement.

CORRECT APPAREL FOR WOMEN AND MISSES.

NEW DRAFT REGULATIONS BAR EXCUSES

Uncle Sam intends to brook no excuses for failure to appear in answer to summons issued under the new classification selection draft law, as evidenced by a declaration received today by the local draft board from the office of the Marshal General Crowder at Washington. In general persons subject to service are informed that they are presumed to know Federal regulations, and failure to comply with them will be considered a misdemeanor punishable with imprisonment.

Other penalties are attached for the man who urges as an excuse an ignorance of Federal regulations. He may be immediately inducted into the Government service, or he may forfeit his rights and privileges, which otherwise might have accrued had he kept himself informed. Registrants and those eligible to service are, under Crowder's interpretation, assumed to know the law.

EXEMPTIONS REVOKED.
Previous exemptions are absolutely revoked by the new draft which becomes operative December 15. This was made clear today when Crowder called attention to the revoking portion of the regulations.

"All exemptions and discharges made prior to noon December 15, and all certificates in evidence thereof are hereby revoked from and after noon of December 15, and all such certificates thereafter issued shall have no further validity."

MUST KNOW NUMBERS.
One of the prime requirements of the new draft is that registrants know their registration number. Notifications, blanks and other data is to be sent to men eligible for service according to number. The number also plays an important part in the order of eligibility for service.

Many men who have been granted exemption under the rules of the old draft will be taken into service by the Government under the second draft. If they

OAKLAND LEADS IN 'EATLESS' DAYS, SAYS MERRITT

Oakland, Berkeley and Fresno have taken the lead in observing meatless Tuesdays and wheatless Wednesdays, according to a statement today by Federal Food Commissioner Ralph Merritt. Merritt said also that wheatless Wednesday was more widely observed today than last week, when thousands of barrels of white flour and other wheat products were saved.

The Southern Pacific Company has announced that it now serves no white bread or wheat products on any day of the week in its diners and lunch rooms unless specifically requested, and even "hot cakes" are made of corn meal.

The ban on ice cream will be lifted tomorrow (Thanksgiving day), the food administration announced, but next week and thereafter ice creamless day will go back on the program each Thursday and the ban will probably be lifted for a meatless day on Christmas and New Year's.

SEND STAMPS
Taxpayers who mail checks to pay their tax bills hereafter will have to enclose postage stamps if they want their receipts mailed back to them. City Treasurer William Fitzmaurice stated today that the city cannot afford to furnish postage for this purpose, as has been the custom in the past. The extra expense he said, would amount to \$20 or \$30 a day.

are physically unable to perform military service in the field, they will be utilized in clerical and other capacities and released as able-bodied men for service. This system is being used in England and France and is said to have worked out successfully.

WOULD GET LEGAL O. K. ON RELIGION

A strange ultimatum, by which the plaintiff, Mrs. Lohman, is being decided by a court tribunal, the verdict to decide whether a wife should abandon this faith, or the husband embrace it, is related in the cross-complaint filed by Mrs. Lohman against her husband, Ralph W. Lohman. Mrs. Lohman is a member of the Holt family of Oakland, whose holdings in the Holt Manufacturing Company, producers of "tank" tractors used on the western front, have brought it a millionaire's standing.

Lohman, an electrical engineer, filed his suit for divorce early this month in the courts of Santa Clara county, alleging that he was a Christian Scientist, and that her belief in this faith and her practice of its tenets had caused him acute mental suffering.

FILES CROSS-COMPLAINT.
Mrs. Lohman, in her answer and cross-complaint, filed, accused her husband of being an atheist and materialist, and tells of a strange ultimatum offered to her by him, in which he proposed to submit Christian Science to a tribunal, and to be bound by the findings of this tribunal. The cross complaint reads:

"That about three weeks before the filing of his suit for divorce, the plaintiff, Ralph Lohman, gave to the defendant the following ultimatum:

"You are attending a lecture in San Jose by Lohman's present manager, Frederick W. Peabody, whom he alleged he had induced to come to California (from Boston), and that said lecture failed to convince her of the fallacy of Christian Science, and that he, Lohman, together with question of its healing qualities, and then the parties must submit the question of Christian Science to some judge of the Court, and if he found Christian Science to be a fraud and to be possessed of no healing qualities, the defendant was to give it up, totally and forever; but if said arbitrator found it to be a true religion and possessed of healing qualities, the plaintiff, Lohman, will cease to oppose it, and that he would then embrace it."

AGREED TO ATTEND.
Mrs. Lohman said she agreed to attend the lecture, but regarded his other suggestion as impracticable, and that she declared that she would not attend. "I renounce utterly her belief in Christian Science, under penalty of being divorced," he was asking something that her self-respect would not permit her to do."

Mrs. Lohman in her answer asks for the dissolution of the bonds of matrimony, the custody of their two children, John Ralph Lohman, five years of age, and Alice Janet Lohman, two years; for a full accounting of her husband's property and money, and for a deed to her German ranch, and the delivery of bonds of the estate of her husband, and that Lohman be ordered to contribute to the maintenance of the children.

EXTREME CRUELTY.
Extreme cruelty is charged by Mrs. Lohman in her cross complaint, and a scene of alleged violence is described, in which she alleges that Lohman broke up a luncheon at which the guests were her sister, Mrs. Edith McKay, who is a Christian Scientist by faith, and Mrs. Mary A. Elder, a Christian Science practitioner, and that in April of this year, when she and Mrs. McKay were sewing in her room in the Lohman home at Los Altos, he used violence on her sister. The scene is described as follows:

"Lohman rushed into the room and seized hold of Mrs. McKay and started to eject her forcibly from the room, and when Mrs. Lohman intervened to mediate with him and told him not to lay hands on her sister, he seized her by the throat, backed her against the wall and then forcibly put her out of the room. He then again seized hold of her sister, Mrs. McKay, threw her to the floor, and might upon the floor and character forced her to telephone for an automobile to convey her and her children from the Lohman home."

CONSULTED PHYSICIANS.
Mrs. Lohman sets forth that while she believes generally in Christian Science, she has never claimed to be a "full and advanced believer or student of its teachings," and that she has always consulted regular physicians in cases of illness on the part of the children, or for herself, and that she has only received the assistance of Christian Science practitioners for "minor troubles, not even noticed by the plaintiff herself."

That Lohman, in his suit for divorce, has set forth an "incomplete, confused, distorted and unfair statement of the claims and teachings of Christian Science," Mrs. Lohman continues that she "denies that the defendant is a normal man, or holds the institution of marriage in high regard, and that he is obsessed with the notion of attacking Christian Science," but that at the time of their marriage she did not know he was so "materialistic in his ideas as to reject the possibility of a Supreme Being."

She alleges that he took little, if any interest in the children, either as to their feeding or other attention.

Mrs. Lohman is being represented by Attorney Stanley Moore. Frederick W. Peabody, an attorney and lecturer against Christian Science, represents Lohman. The cross complaint alleges that Lohman employed Peabody in the hope of making "a celebrated case."

DIVORCE DENIED

Judge James C. Quinn has denied the divorce application of Theodore J. Ottman, automobile man, and his wife, telephone operator at "Big Boy" bar. The judge decided that neither set was sufficient.

Judge Harris granted an interlocutory decree to Mrs. Gertrude, known as a telephone operator, from Lawrence Galindo, who a few years ago assisted in the sensational escape of Alvin Karpis. Lohman, a Federal prisoner, from Prohibition hospital.

Merrill Adams did not know that under the name of Fernand Silva the man married had pleaded guilty to burglary and was out on probation. She thought his name was Vernon Knowlton. Not only for that but because he was cruel to her, she asks a divorce. Mrs. Laura Horan complained that Lohman humiliated her with a lighted match, and asks for a divorce.

IS WAR NURSE

With her departure today for Camp Kearney, where she will serve as a war nurse, Miss Janet P. Spores made the third member of her family to join the colors. "However," said her father, John L. Spores, "my wife and myself are doing our bit at home." William E. Spores is first sergeant in the One Hundred and Forty-third Artillery, and Harry D. is in the Fifth Infantry, both organizations being at Camp Kearney.

MRS. KING SAYS HUSBY WAS CRUEL

"I may have been guilty of other things, but I did not treat my husband from his former wife," declared Mrs. Hazel Vallejo King, who filed suit for divorce yesterday. "Some of the papers have all along said that while I was Mrs. Vallejo we lived next door to the Kings and that my friendship for Mr. King caused their separation. That isn't true at all. I never met Mr. King until he had been divorced for over five years. The woman who lived next door to us later became Mrs. Vallejo," she said.

"That the difficulty between myself and Mr. King cannot be reconciled is his attitude toward my three-month-old baby," she says. She declares that she has seen the baby only three times, and then only because she insisted upon his looking at it. "He doesn't want me or my baby, and he doesn't need to have us," she says.

CHARGES INDIFFERENCE.
She complains that he was indifferent to the point of extreme cruelty toward the baby was born, and that he never provided medical attention for herself or the baby and did not contribute in any degree to her well being or that of the baby. His attitude in the respect was the culmination of a long endured period of cruelty that confirmed her in her resolve to make an end to her relations with King, declares the heiress to the estate of the late Paul Miller, but little King's little child, who, Mrs. King claims, has caused her to appear in the light in numerous sensational episodes.

Mrs. King complains that her husband has dissipated her money and never done anything in return, and that she has been a continuous disappointment. "He has cost me a lot of money," she said. "He had a garage and an automobile agency and I continually had to finance him. He knows how to spend and lose, in fact that is the best thing he does."

Mrs. King says that contrary to reports she was given custody of her little girl by her former marriage. She says that she and her husband's father are on friendly terms and that the child often goes to his father's house to visit.

TWO VENTURES ENOUGH.
Two ventures in matrimony are enough for her, she declares, and she is resolved that when her present marriage is terminated she will say "Never again!"

As to the allegations contained in the divorce complaint, which is sealed, she declares she cannot remember all of them. No other women are named, but she says she could have named "hundreds of them." She said she refused to drag them into it when it did not appear necessary. She says the complaint mentions that when her baby was five days old her husband came home and "raised hell."

But she insists that his hounding her in the streets, her role in her complaint, is minor and trivial compared with his indifference to her baby, a form of cruelty which she says she feels keenly and cannot forgive.

DEPOSIT MONEY

On order of Judge Donahue, County Clerk George E. Gross as custodian, has deposited \$5000 in the Central National Bank at interest pending the outcome of an appeal in the case of Henry Kuck against C. W. McConnell growing out of a contention at the time of the divorce.

McConnell, according to the evidence, capitalized his concession and sold stock. He induced Kuck to invest his ranch in the stock. Kuck said the concession failed and brought suit. The court ordered restitution. It was stipulated that pending the appeal the money involved should remain in escrow with the court.

MUST AID MOTHER

Mrs. Susan D. Sanders, aged 91, today won a suit against her six children for support. She was allowed \$30 a month. The eldest of her children, the past 21 years lived with one of her daughters, Mrs. Lauretta White, who was named as one of the defendants. Mrs. White said she was willing to give her mother a home, but would not be bound to do so. She requires the other children to do their share.

At a preliminary hearing some weeks ago court was held on the side walk in front of the court house, the old lady being too feeble to go up the steps.

Instant Hair Stain Better Than Slow "Restorers"

Some folks would have you believe that they have discovered a new combination that will "restore" color to gray, streaked or faded hair, without staining it. No such preparation has ever been discovered.

Here is one preparation so far as we know that is actually free from sulphur, lead, silver, mercury, zinc, arsenic, coal tar, or any of the other "restorers." The preparation is called "Brownstone." It is so easy and safe to apply that the wonder is that anyone ever uses anything else to any shade of brown (or black) that may be desired. If the gray shows on your temples or is streaking your hair, if the ends of your hair are lighter than the balance, or if for any reason you wish to stain or part of your hair—use "Brownstone."

A sample and booklet will be sent you (from manufacturers only) upon receipt of 10c. Mention "Hair Stain" desired.

All of the leading drug stores sell "Brownstone." Two sizes and three colors. Insist on "Brownstone" at your hairdresser's.

Sold and guaranteed at all leading drug and toilet centers. Don't accept substitutes.

Free Trial Bottle Coupon

The Keston Pharmacy Company
178 Central Bldg., Cleveland, Ky.
Please send me your trial bottle of BROWNSTONE Hair Stain. I enclose 10c (silver or stamps) to help pay postage and packing.

Blue Bird Bureau

Already you are beginning to think about toys and presents for your own kiddies. You know how they would feel if Christmas eve and Christmas morning should pass, and they should receive nothing. Perhaps you have already been telling them that because of the war, and because of the high cost of things to eat and wear, they are not to expect such expensive presents as last year, that the United States is playing Santa Claus to the world, and that those at home must help by not asking too much.

But you are not planning on disappointing them altogether. You are planning that there shall be some thing, some little toys, some candies, some Christmas joy, on the trees or in the stockings. You believe that this is their festival, and that in after years they will be better men and women because they have known in joy the meaning of the happiest day of the year.

Well, when you are doing this Christmas shopping for your own youngsters, and doing it early, it will be but little extra bother to remember some other little child, who, for you, will go without Christmas this year. There will be many of them in Oakland this year if the Good Fellows do not do their part. The problems of meeting expenses and keeping them down which will make your Christmas a little less this year than last on present, will force many parents, especially in those families where there is some sickness, or where the wage-earner is dead and the mother dependent.

Another letter is from a widow, who writes: "I am putting the down for my little boy Tommy just as he is telling it to me. We do not expect everything he asks for."

Tommy's letter follows: "Dear Good Fellow: I hope Santa Claus won't forget us as he did last year. I wrote to him, but he must have forgotten us, for the Good Fellow that got my letter did not come to see us."

"I and my little brother each want a pair of skates. I am 7½ and my brother is 6½. Raymond is 4½ and wants a tricycle. Little sister Laura wants a nice baby doll buggy. We have no papa and this will be our second Christmas without him and we miss him so much please don't forget us. Your little friend, TOMMY."

I HEREBY PROMISE

If you will be a Good Fellow at Christmas, wishful to bring joy to some child who would otherwise suffer disappointment and heartache in being forgotten, fill out the attached blank and either bring or mail it to the Blue Bird Bureau, OAKLAND TRIBUNE. It is for you to decide how many children you can make happy, and in what way you can do it best.

EMPLOYEES DANCE

An enjoyable Thanksgiving party was held by the Marymont and Upright Employees' Association Monday night in Wigwam Hall of the Pacific building. The association is planning another dance shortly after the holidays.

The proceeds from the sale of tickets will go toward swelling the fund maintained for the assistance of sick and needy members of the association.

About 200 young men and women spent the evening in dancing. The association is planning another dance shortly after the holidays.

LABOR MEETING

Delegates from the various labor organizations to be represented at the meeting Sunday afternoon when the new Union Labor party of Alameda county will be organized, have been practically all named, according to Secretary William A. Spooner of the Central Labor Council. It is expected there will be more than 250 men and women present at the preliminary meeting, at which time the aims of the new party and its plan for fighting the anti-picketing ordinance in this city will be discussed. The session will take place in the afternoon at Gompers Hall, and will be executive.

CLEAR \$3000

Oakland chapter of the Red Cross will benefit more than \$3,000 from the proceeds of the policemen's ball held at the auditorium last Thursday night, according to Inspector William Quigley, treasurer of the Widows and Orphans' Aid Association of the police department. There has already been deposited \$2,800 to the credit of the local chapter and outstanding revenues of the ball will bring the total up to more than \$3,000.

TO DISCUSS THREATENED MILK RAISE

Milk is the subject of discussion at a meeting being held this afternoon at Agricultural Hall at the University of California. Why it should cost so much, why it threatens to cost more, how the cost might be reduced by making its production a public utility, will be features of the discussion. Those discussing it are the members of the board of arbitration of the Associated Milk Producers and the Milk Dealers' Association.

The producers are trying to obtain another raise in the wholesale price which would elevate the cost to the consumer to 16 cents a quart. This represents an increase of four cents over the present top price and almost one hundred per cent during the last year. Milk now is sold by the producers to the dealers at 25 cents a gallon f. o. b. Oakland and San Francisco. The producers want to raise this price to 34 cents f. o. b. the dairy.

SAYS FIGURES INCORRECT.
The increased cost of feed, high wages demanded by milkers and other increased costs are put forward by the producers as the reason for the contemplated advance. The dealers claim that many of the figures given by the producers are incorrect.

Food Administrator Ralph P. Merritt has declared in favor of a Federal investigation of the milk situation and has asked Secretary of Agriculture David F. Houston to order such an inquiry. A similar request has been made by State Market Director Harris Welnsch.

A settlement of the situation has been suggested by Professor Elwood Mead of the University of California. He proposes that the mayors of the bay cities appoint a joint commission to look into the matter of turning milk production into a public utility. He advocated the issuance of franchises to dairymen, the elimination of duplicate routes and other savings in overhead expense.

ORNSTEIN AGAIN

The management of the Macdonough Theater announced that by special arrangement with Frank W. Healy, the composer and pianist extraordinary, on this his western trip, will be at the Macdonough next Monday night, December 2.

Ornstein of the ultra-modern school is a practical musician with a prodigious technical equipment. Ornstein is shaking all musicians out of the rut to which they constantly gravitate, and giving them material to have thought and forcing them to see the old from a new viewpoint.

No artist visiting Oakland during the past year has aroused quite the interest that has this exceptional composer. An elaborate program is being arranged and will be announced later.

LABOR MEETING
